From the Principal...

Last week we celebrated the ‘Get Real’ Assembly with Year 10 students from Delroy and South Campuses. It was a very emotional assembly where Year 10 pledged to stay at school until they were 17 years and the teachers and community members also pledging to support students in this process. A big thank you to Mrs Fleur Mara, our Careers Adviser, for organising such a wonderful experience for our students.

We also held our Delroy Campus Student Leaders Induction Assembly in Week 6. It was great to see so many parents take part in our ceremony and I am looking forward to working with our strong student leadership team. I am confident that Sarah, Sam, Ashley and Nathan will lead the team well.

Today, Wednesday we will be holding our Parent / Teacher interviews and we look forward to seeing and meeting many parents. It is important that we have a formal feedback process for parents each term so that there is consistency.

Terms 1 and 3 we will hold parent/teacher interviews and in Terms 2 and 4 parents will receive written reports.

Last week our P&C AGM saw the election of a new executive team. My congratulations and thanks go to the following team who will lead our parent body this year:

President: Leah Bayliss
Vice-President: Jo Holland
Secretary: Nancy Kelly
Treasurer: Karen Cronin

Our meetings will continue on the third Monday of each month and begin at 7.00pm in the School Learning Centre.

I would like to reinforce the processes for our school’s Voluntary Contribution. All public schools are able to request a voluntary contribution from families. The general operation of our school requires a range of funding that can exceed the allocation provided from Government sources. This year we plan to use funding generated from these contributions to continue expanding our library collection and to provide a range of extra-curricular activities.

I am committed to creating engaging opportunities across the school, outside of the classroom, that encourage students to mix with each other in positive ways.

Finally, I would like to wish all our families a very Happy Easter. Enjoy the long weekend and drive safely.

Regards

Stacey Exner Principal
DELROY CAMPUS STUDENT LEADERS INDUCTION

Delroy Captains, Vice Captains, Arts Captains and Sports Captains

School Captain Sarah Toohey with Mum and Dad

Alinta Todhunder and Mum

Sports Captain Raymond Hangan and his Mum

Happy Easter
Canberra Show report 2013

On the 21st of February 14 students from Delroy travelled to Canberra to show sheep at the Royal Canberra Show. The trip down proved to be entertaining with Mr Piper running out of fuel, in sight of the service station. On a brighter note this allowed the students two hours of self reflection and bonding time whilst waiting for NRMA. For many students it was their first time to the Nation’s capital and the first time camping in the elements and didn’t the elements turn it on. Rain and strong winds every night resulted in some very wet and tired students (and teacher) by Sunday.

The students showed sheep from Mr Piper’s White Dorper stud and achieved some very credible results, culminating in taking out Junior Champion White Dorper Ram, against some strong competition. All students, except one “sick” one, competed in their handler’s classes and despite some nerves they all performed very well. Many students worked on their communication skills and made new friendships, which I believe are still continuing in some cases.

Whilst in Canberra the students also visited Questacon and Telstra tower, toured around Parliament House and took in the nightlights and fireworks show from on top of Mount Ainslie.

Overall the trip was highly successful and Mr Piper received excellent feedback from other exhibitors about how well behaved and helpful the Delroy students were. This is always pleasing feedback when it comes from members of the public and Mr Piper would also like to personally congratulate the students on their efforts.

Practice has continued in preparation for the upcoming Dubbo Show in early term two and parents, friends etc are encouraged to come down and see the Delroy show team in action.

DELROY CAMPUS STUDENT LEADERS INDUCTION ASSEMBLY

On Friday 8th March 2013, over seventy parents and friends supported the students who took part in the Student Leaders Induction Assembly. It was a great occasion with special guests Aunty Pat Doolan (AECG president), Mr Darryl Thompson (South Principal) and Mr Mark Dann (Snr SRC coordinator) making the occasion all the more meaningful.

Our Year 7 student John Hill effectively gave the Acknowledgement to Country in both Wiradjuri and English, with Captains Sarah Toohey and Sam Read compering the proceedings. Mrs Exner spoke on the list of “what makes a leader” given by last year’s Captain Teleria Milson.

The new captains led by Sam Read swore to “be the voice” of the students. School Captains for 2013 are Sarah Toohey and Sam Read, Vice Captains Ashley Cox and Nathan Hawkes, Arts Captains Nikki Avila and Gabrielle Triplett, Sport Captains Tori Campbell and Raymond Hangan.

The House Captains for 2013 were introduced by Ms Piddington and it was evident that the new positions of Junior House Captains were a positive step in recognizing the skills of some of our younger students.

The Junior AECG was also strongly supported with Ms Trudgett and Aunty Pat congratulating the 8 students on their nomination and work so far this year. The Junior AECG students are John Hill, Treay Richardson, Alinta Todhunter, Zaiden Britt, Amberlilly Gordon, Ted Ebsworth, Karina Kilpatrick and Bradley Stanley. They joined the SRC to give the Leaders pledge and promised to “support the School Captains” and “fulfil their obligations as representatives of the students”.

The SRC, including the new Year 7 members, were pinned by their parents and friends who were obviously proud of their achievements. They included: Nikki Avila, Shania Bourke, Nathan Bruce, Tori Campbell, Will Clow, Ashley Cox, Chayan Deb Nath, Haylea Dennis, Raymond Hangan, Nathan Hawkes, Manul Herath, John Hill, Sharika Howard, Abbey Linnane, Jessica McKinnon, Danielle Moffitt, Sam Read, Tarryn Renshaw, Sarah Toohey, Chloe Towers, Gabrielle Triplett, Jacob Ware, Jessica Wyatt, Rachel Wykes and Amy Yeo.

The final speech from Sarah Toohey commented on the changes that Delroy has experienced and the honour and opportunities that each of the school leaders will now work towards.  

Mrs Julie Farquhar SRC Co-ordinator
**HSIE Happenings....**

**Geography Competition**
The Geography competition is happening this week for the extension classes in HSIE. All students were asked to pay the $3.00 entry fee, but sadly some students have overlooked this. Entry in the competitions is an integral part of the course for these classes and all students will be sitting the test. If your child has forgotten to bring the entry fee in, please remind them.

**Assessment Procedures**
As part of the assessment schedule for Years 7, 8 and 9 all students are required to submit a portfolio of work worth 20%. It is essential that the portfolios are handed in, as it will not only affect the student’s assessment marks, but it also causes problems in classrooms and in learning. Please encourage your students to have their book and equipment with them in every lesson.

Year 8, 9 and 10 research tasks are due in Weeks 9 and 10 (27th March and 3rd April).

**Sharemarket Game**
I am impressed with the enthusiasm shown by the Year 9/10 Commerce students regarding the sharemarket game. Each student/syndicate has been given $50 000 to play with to see how much it can grow in the 10 weeks of the game. Students are taking a mature approach, investigating businesses and are learning about the current economic climate, in order to purchase their shares.

**Mr Bill Donnison**
Head Teacher HSIE

---

**Tax File Numbers**
The Australian Taxation office has adjusted the process where students can apply for Tax File Numbers through the school. All students will need to provide their birth certificate number - please note students need to be 13 years old before they can apply. This process is still far easier than getting a Tax File Number through the usual channels.

Anyone interested should see Mr Donnison – please remember that it takes about five weeks from when the school sends off the application until the student receives the TFN.

**Mr Bill Donnison**
TFN Co-ordinator

---

**SCHOOL POLICY ON STUDENTS WHO ARE UNWELL**
When a student is unwell at school he/she:

◊ **must obtain a note from the teacher and then present at the office,** where a parent/carer will be contacted by the office staff to collect the student.

◊ Students are **NOT** to use their mobile phones to phone parent/carer directly.

For legal reasons and school policy students are **NOT** to leave the school without signing out at the office.
Positive Behaviour For Learning (PB4L)

At Delroy Campus we have the following expectations:

Each week we focus on one of our expectations and students are rewarded by receiving a ticket in our PB4L draw held every second Friday prior to Assembly or Year meetings.

During week 3 the focus was on Doing Your Best, while the focus for week 4 was having the correct equipment. These rewards can be received in the playground as well as in classes.

Draw one, for 2013 was conducted on 22

nd February and from 151 entries we would like to congratulate the following prize winners who were drawn by our SRC members:

<table>

These students have won stationery, chocolates or canteen vouchers. In the future we will have $20.00 i-tunes vouchers as prizes too …… so encourage your children to get their reward tickets into the box outside the curriculum office for a chance to win.

Mrs Vicki Budden
Prize Co – ordinator for the PB4L team

Lights, camera….action!!

A great new rock and roll musical that's just perfect for Delroy students. Follow the behind the scenes story of five finalists (and their pushy parents) as they compete in the national TV hit sensation singing competition Week 2 Term 2
Super stars to tread the boards at Delroy

There is an air of excitement running through the classrooms and corridors at Dubbo College Delroy Campus as students and teachers get busy with rehearsals for a school musical. Even former College student and Senior Campus Arts Captain Andy Carolan has a bounce in his step as he directs the action in the Maverick Musical Super Stars, set to explode onto the stage in May.

The musical production, with a cast and crew of more than 80 students, began with auditions at the end of last year, according to production manager Ms Deborah Dawson.

“We began auditioning for the main speaking parts last term and this term we have incorporated many of our new Year 7 students into the production,” she said.

“The musical itself follows the story of five finalists competing for places in a talent show, much along the lines of X Factor or Australian Idol. Andy Carolan and I looked at a range of scripts but this Maverick Musical proved to be the most engaging for our students. There are talent show judges, pushy showbiz parents and plenty of corruption along the way.”

Lead actors in the musical include Tia-Lee McMulkin-Fairley, Harry Jackson, Bradley Stanley, Sarah Toohey and Danae Kelly, as well as Rosa Williams, Pearl Mason and Jessie Bonser.

Since completing Year 12 at the College Andy Carolan has been heavily involved in developing and bringing youth theatre to the stage in Dubbo. As director, Andy brings a wealth of knowledge and experience to the musical and is volunteering his time to his former school.

“It’s great to see Delroy tackling its own production,” he said. “The kids are revelling in it and making the most of the opportunities afforded by live theatre. There is so much creative ability in the school and I think it’s great to be able to showcase students’ talents.”

While Andy is director and Ms Deborah Dawson manages production, music teacher Mrs Lyndal Powderly is the musical director for Super Stars. Rehearsals will continue in the coming weeks, leading up to the performances in Term II.

Woolworths Earn and Learn Program

As we settle back into the 2013 school year, we are celebrating the arrival of our new learning supplies thanks to the support of our local and school community with the Woolworths Earn and Learn Program.

Together we achieved a total of 34,200 points which was used to “buy” educational supplies for our school. Art received two stainless steel trolleys, HSIE received a Weather Station and equipment to use in class. Lots of new activities were selected by the Support Faculty and the Library has lots of craft goodies. Maths and TAS also received new supplies.

Thank you, to all who supported us in this program – the educational equipment will be well used throughout the school and help make the lessons more engaging.

Mrs Dyanne Kelly TAS
ANTI-BULLYING REPORT - ABC

Hey Everybody
It has been an excellent start 2013. Students have achieved a great deal already, both in academic and sporting areas, as well as filling various new leadership roles. There have been less issues in the playground, which is spectacular - the culture in Delroy is positive. This has been one of the goals of the Anti–Bullying Committee.

We were established in Week 5 Term 3 of 2012 and since then have hosted events, promoted kindness and worked diligently to make Delroy a better place. While we have a fluid committee, with members leaving Delroy and new members joining us, we are still a close-knit group.

We are currently recruiting new members, in particular Year 7 and 8 students. Meetings are held in the Library each Monday at recess.

Also, be sure to ‘like’ our Facebook page, Delroy Vibe, for some extremely good and relevant content. Look forward to big things this year from the ABC for Delroy!

Delroy Campus Student Anti-Bullying Committee

MAD Driving Program
(Making a Difference)

The program targeted at young drivers is set to bring home the consequences of reckless driving on the region's roads. With statistics revealing that the actions of drivers between the ages of 17 and 24 Years are contributing "highly" to the State's road toll, the Dubbo Rescue Squad together with O'Mally Driving School and the Dubbo Highway Patrol have hatched a plan to attack the serious problem of young driver fatalities.

The Dubbo Rescue Squad is now taking bookings for the MAD (Making a Difference) Driving Program, which will commence next month to educate young drivers on all levels of their responsibilities on the road.

The program will show young drivers that bad decisions could cost them not only their own lives, but also the lives of other road users.

Presentations will be hosted by the Dubbo Rescue Squad, O’Mally Driving school and Dubbo Highway patrol unit during the night, young drivers could also take advantage of "hands-on" activities such as using rescue equipment and Vision impaired glasses and seeing Highway patrol devices in action.

Parents are a key to supporting young drivers and we are all hoping they would encourage their children to attend the one-night event, which is supported and sponsored by Orana Credit Union.

The first MAD Driving Program for 2013 will be held from 6pm to 9pm at the Dubbo Rescue Squad headquarters in Cobra Street on April 24th. Those interested can register with the Dubbo Rescue Squad on 0420 570 740 (Judy Haling) or 0434 544 063 (Ben O’Mally). The program is free but a donation to the rescue squad would be appreciated.

New Course boosts Leadership development opportunities at Delroy Campus

A group of Year 9 and Year 10 students at Delroy Campus are involved in a newly developed physical activity and sports studies course which incorporates the Duke of Edinburgh Award Scheme, the Rural Fire Service (RFS) Cadets program and the State Emergency Service (SES) Cadets program.

Mr Paul Woodhead is co-ordinating the course, which encourages students to look and work beyond themselves and their comfort zone.

The Duke of Edinburgh Award Scheme runs all year and provides students with the opportunity to attempt Bronze and Silver Level Awards. Sections that need to be covered include skills development, physical training, volunteering in the community and an adventurous journey, which could be a bush walk, canoe trip or leadership camp.

Mr Woodhead is an RFS instructor and this term he is working with Kennedy Tourle from Orana Area Fire Command to run a cadets program for the students. The students will follow the Basic Fire-fighter course curriculum and learn the essentials of fire safety, fire behaviour and fire management, which includes the use of hoses, pumps, tankers, radios and a variety of personal protection equipment and hand tools. In Term 2 the SES Cadets program will be delivered by SES instructors.

Delroy Campus Text Messaging to Parents / Attendance

Delroy Campus will soon be texting parents regarding their students’ attendance. The school will text parents if, for instance, their child is absent for the day and you will receive a message that will look similar to this:

DC Del Campus, pls be advised (student name) absent morning (date). Pls provide reason via reply SMS (mobile No: will be displayed) or note ASAP.

Or for late arrivals:
DC Del Campus, FYI records show that (student name) late today (date) at (time of arrival) no valid reason given.

Delroy Campus will trial this system soon with a friendly first text so that you can see how it will look and appear on your phone. The message will read:

DC Del Campus school returns for all students on Wed. 01/05/2013.

This will be a great opportunity for the school to maintain contact with parents, carers and families, keeping you informed. To improve our ability to keep parents and carers informed we need your current information.

Please fill in the yellow form below and return ASAP to the front office.

STUDENTS RETURN FOR TERM 2 ON WEDNESDAY 1st May 2013
Careers News

Congratulations to all Year 10 who have now signed the Get Real Pledge. The Get Real program is now in its eighth year. Year 10 of 2013 have now joined hundreds of previous Year 10 students committing themselves to gaining REAL SKILLS, to make REAL CHOICES to GET REAL JOBS. Special mention must also go to the Dubbo Business Partnership who support this program these include: The Daily Liberal, Fletchers International, Clancy Automotive, Dubbo City Council, Bridgewater Signs and The Dubbo Chamber of Commerce. Our guest speaker on the day was Dr Amy-Lea Perrin, Amy-Lea is a former Delroy High Student who followed her dream to become a Doctor. She talked about wanting to give up many times and how study and living away from home were really difficult. She also had a few people who doubted her. The strength to continue on came from her family, teachers and making the right choices. “If you believe that something is within your reach and you are willing to put in the effort to get there, nothing is impossible” said Amy-Lea. She also concluded with a quote from the book, The Little Engine That Could…

“If you think you can…. You will
If you think you can’t….. You won’t
Either way you’re right”

Week 9 The Careers Team will endeavour to interview all Year 10 about what their plans are for the future and also information about subject selections which they will make next term for Year 11.

I have held 2 meetings with Indigenous students over the last few weeks in conjunction with Western Student Connections regarding the School Based Traineeships. If you are interested in these please collect an application form from Careers.

Work Experience: is on offer throughout the year, it is an excellent way to see if you are suited to a particular occupation or to canvass potential employers. All Year 9 last year were put through a work readiness program and are now able to access work experience in Year 10.

Resumes: I am available also at Recess and Lunch on Mondays and Fridays if students want to come in and find out more about anything to do with careers. In particular, it is great to see students coming in to get help with their resumes or emailing them to me to check.

Dubbo College Careers: please “like” us on Facebook as this is one way we get information out to the students. We also email all students the Careers News through their DEC portal email, this can also be accessed at home. Careers News 3 is out now. There are also copies available from Careers or a copy on the Careers Board in the Library.

Mrs Fleur Mara Careers

Delroy Campus Homework Centre

The Delroy Campus Homework Centre is held in the Library on Mondays and Wednesdays from 3.30pm to 5.00pm, it is also open each day during Recess and Lunch. The Homework Centre is available to all students.
As at the 4th of March 2013 final year dental students will be practicing in Dubbo until the end of October. We are now taking appointments for all the general public at very reduced fees.

If you are interested or know of anyone needing dental services, including Medicare Teen Dental Vouchers and Department of Veteran Affairs please spread the word as this will greatly benefit CSU and our visiting students.

Our contact number to book is 1300 278 642 then select option 4.
