DUBBO COLLEGE DELROY CAMPUS ANNUAL SWIMMING CARNIVAL

Competing Houses getting on well together: Brittany McGrath, Sheridan Preston, Suevannah Brown

Dressed for the occasion are Chloe Clarke-Romans, Miss Piddington Sports Co-ordinator, Tori Campbell-Kelly and Miss Bermingham Deputy Principal

Sophie Wirth, Sommar Preston, Teegan Hall

Shantell Toomey, Amanda Burns, Amberlilly Gordon and Roxylee Meguyer

right Danielle Moffitt, Kasey Powell, Eliza Darcy

above: Maree Pobje, Maddie Dandridge, Sarah Lucan and Caitlin Monaghan.
On Tuesday the 26th of February we held our Annual Swimming Carnival. With the rain holding off and an excellent turn out of enthusiastic students there was bound to be some stiff competition between the House groups. The day started with a 5min swim off and then it was straight into some serious swimming events. Congratulations to all teams, but as usual there can only be one winner. **Bigranera** topped the point tally with 736 followed by Yarradaroo on 454, then Parayong on 298 and Macoolari on 208. Congratulations also go to our age champions.

**Girls**
- 13 yrs – Siobhan Pearce
- 14 yrs – Rosetta Betts
- 15 yrs – Tarryn Renshaw
- 16 yrs – Sarah Toohey

**Boys**
- 12 yrs – Keith Waring-Fernando
- 13 yrs – Jack Clow
- 14 yrs – Milan Hooper
- 15 yrs – Jarrod Buckland
- 16 yrs – Burren Shaw

I would like to take this opportunity to thank all students for their participation and to parents who were able to attend. I would also like to thank all staff for their support in making it a successful and enjoyable day.

**Miss Alison Piddington Sports Co-ordinator**

above: Having a great day at the Swimming Carnival Manny West, Keith Waring Fernando, Chris West and John Hill.
HSIE Happenings....

We have settled into 2013 quite well and it is good to see most students actively engaged in their learning. The extension classes in each year are being challenged and their participation in the upcoming Australian Geography Competition is an integral part of this. Students in the parallel classes are displaying focus and are benefiting from the new structure of classes this year.

Exchange programs.
I have received information from Dubbo City Council regarding student exchange to Minokamo in Japan, Dubbo’s sister city. This program is open to all students in Dubbo aged 15 – 18. Quite a few students have collected application forms from me. All applicants will be interviewed by Council to determine the most suitable students to undertake this trip. The selected students will travel to Minokamo in the September holidays and will be billeted out to Japanese families for the duration of their stay. This is a fantastic opportunity for students of Dubbo as Council will sponsor each student $1000 to offset some of the expenses involved. I have also received information from other organisations regarding exchange programs of varying length to a variety of countries. Students should come and see me if they are interested in student exchange programs.

Mr Bill Donnison  
Head Teacher HSIE, LOTE, Library

Tax File Numbers

The Australian Taxation office has adjusted the process where students can apply for Tax File Numbers through the school. All students will need to provide their birth certificate number - please note students need to be 13 years old before they can apply. This process is still far easier than getting a Tax File Number through the usual channels.

Anyone interested should see Mr Donnison – please remember that it takes about five weeks from when the school sends off the application until the student receives the TFN.

Mr Bill Donnison  TFN Co-ordinator.

From the Principal...

We have had a very successful and productive three weeks and it was topped off by a wonderful trip to Sydney on Friday. Ms Trudgett, Ted Ebsworth, Amberlilly Gordon, Mr Doug Gordon and I travelled to Government House for the launch of the 8 Ways Aboriginal Pedagogy program. We had the opportunity to meet her Excellency, Marie Bashir, who took the time to speak to us all. She was very inspirational and Amberlilly was lucky to ‘MC’ the event, she represented herself and Delroy Campus so proudly.

I would like to congratulate Mrs Marie Speer and Ms Catherine Burns for their great organisation of the Year 7 leadership days that were held in Week 4. Both days were very successful and it was an opportunity for our newest members of our school to meet and get to know each other.

Our Swimming Carnival was held last week and congratulations to Ms Piddington and her team who made the day so enjoyable for all who attended. Not only did we have a guest appearance from B1 and B2, we also had four staff relay teams who competed against all who were ‘game’. The highlight of the day, as always was the junior and senior ‘belly flop’ competition. Mr Piper was successful in the Senior event and Caleb Davis won the Junior event. Congratulations to all of our Age Champions and good luck at Western Region Swimming.

School photos were taken last week and a big thank you to Mrs Deb Comer who organised the day. The students will receive an ID card in 2013 with their photo attached. For some students this will be the only photo ID that they have to allow them entry into some facilities.

This week we will see a Delroy team enter the Science and Engineering Challenge. This competition sets a series of mind challenges for our students who will be competing against others from across Western area.

This week will also see our first set of attendance data being sent home to parents. We need to work together to ensure that no students’ attendance drops below 85%. We will be including each Year groups’ average attendance for the Term in our newsletter with the winning year group enjoying a free pizza lunch. Good luck to all.

Looking forward to meeting many parents at our upcoming parent/teacher meetings occurring on Wednesday 27 March 4pm—7pm.
Bangarra Dance Workshop

On Monday 11th February, Mr Doug Gordon, Ms Kerry Swan and I had the pleasure of taking 6 students – Amberlilly Gordon, Shantell Toomey, Vester Fernando, Michael Fernando, Burren Shaw and Ngali Shaw to audition for the Bangarra cultural Dance Group. It was an intensive day with sessions involving warm ups, interpretive dance and routine choreography. Sidney Salter, Charlotte and Patrick Thaiday put the students through their paces and the students represented themselves and Delroy extremely well. We are looking forward to hear if our students got in to the program with a two week camp coming up in April school holidays.

Mrs Mandy Roser
Head Teacher Equity

SCHOOL POLICY ON STUDENTS WHO ARE UNWELL

When a student is unwell at school he/she:

◊ must obtain a note from the teacher and then present at the office, where a parent/carer will be contacted to collect the student.

◊ Students are NOT to use their mobile phones to phone parent/carer directly.

For legal reasons and school policy students are NOT to leave the school without signing out at the office.

Dubbo College Delroy Campus Curriculum Levy/Subject Contributions and Semester 1 and 2 Elective Fees

While the Curriculum Levy is voluntary, it is expected that elective fees will be paid in full as soon as possible.

We realise that sometimes it is difficult for families, especially with more than one student, to find the money for these costs but we are always willing to receive part payments and we have EFTPOS facilities available at the school.

May we remind all parents of Year 10 students that all elective fees have to be cleared before the students sign out at the end of the year. You may prefer to pay the fees in small amounts throughout the year, please give this your consideration.

If you receive a family or income support payment, including Family Tax Benefit Part A, you could be eligible to receive $820 a year for each secondary student, with half paid in January and half paid in July. Please apply to Centrelink for this payment.

Lights, camera....action!!

A great new rock and roll musical that’s just perfect for Delroy students. Follow the behind the scenes story of five finalists (and their pushy parents) as they compete in the national TV hit sensation singing competition Week 2 Term 2 seeking the next...
DUBBO COLLEGE in strong position: Minister

After listening to reports from the Principals of Dubbo College during his visit to Dubbo recently, Minister for Education Mr Adrian Piccoli believes the College is well-placed to tackle the challenges of the future and provide a positive environment for student performance.

“Last year was very much a transition year for students and staff and from what I have heard today, it was a year when quirks in the system were ironed out,” Mr Piccoli said. “I think the measure that counts the most in any school is student performance and I believe the College structure provides the best opportunity for this.”

Dubbo College Director, Ms Kerri Leigh-Gordon said the school year had a very smooth start in 2013. The curriculum of the two junior campuses has been aligned, one administrative system has been rolled out across all three campuses and resources are being shared, so this way we can operate as one large organisation.

2013 ABORIGINAL GIRLS CIRCLE COMMUNITY WELCOME

Delroy hosted a morning tea on Friday 15th February to meet and welcome the parents/carers and community members to the 2013 Aboriginal Girls Circle program. We introduced the program to the guests and spoke about some of the things we intend to achieve this year. We are presenting the girls circle in a different format this year. A very big Thank You to the Canteen Staff for supplying a delicious morning tea. Thank you to the parents, carers and community who attended on the day, thank you to everyone who spoke about the program and a special thank you to Ms Madelene McGrath from NAPCAN for coming from Sydney yet again to support the young Aboriginal girls in the Dubbo and Delroy community.

A huge thank you to the girls in the program for your participation and contribution on the day and we look forward to working with you this year in the Aboriginal Girls Circle.

MR TROY GRANT MP VISIT

At the conclusion of the Aboriginal Girls Circle morning tea, Ms Madelene McGrath from NAPCAN, and I were fortunate enough to meet with Mr Troy Grant Member of the Legislative Assembly, Member for Dubbo. During this meeting we discussed the AGC program and the plans for 2013. Mr Grant was very receptive of the information we shared and offered Ms McGrath the opportunity to meet with the Minister for Education Mr Piccoli regarding the future of the Aboriginal Girls Circle program in Dubbo. We would like to thank Mr Grant for his time and we look forward to working with the wider Dubbo Community in implementing this program further in the future.

Miss Kathryn Bermingham
Dubbo College Delroy Campus Deputy Principal and AGC Co-ordinator

above: Miss Kathryn Bermingham Deputy Principal, Mr Troy Grant Member for Dubbo and Ms Madelene McGrath NAPCAN Representative
Welcome to all our new students, especially our Year 7 students and their families. We have enjoyed a very settled beginning to 2013.

Sadly, we farewelled Mr Apps who has gone to teach at Forbes High School, but the rest of our team have returned for 2013. All TAS staff are teaching Technology Mandatory to Years 7 and 8. Our Year 9 and 10 students are enjoying the elective courses offered with Mrs Kelly and Mrs Budden delivering Food Technology and Hospitality courses, while Mr Martin and Mr Williams are delivering Engineering, Timber, Metal and Information Software Technologies.

All students have now received their assessment booklets for TERM 1, and should be ensuring that they are completing them according to the following:

All Year 7 Technology students will complete an in class SAFETY TEST in Week 7.
Year 7 students studying a Textile context will have a RESEARCH ASSIGNMENT on Cotton, while those studying a Metal context will have a RESEARCH ASSIGNMENT on Metal, both are due in Week 9.

In Year 8 Technology students will complete an in class SAFETY TEST in Week 7.
Year 8 students studying a Food Context will have a RESEARCH ASSIGNMENT on Food Poisoning, while those studying a Timber context will have a RESEARCH ASSIGNMENT on Timber, both due in Week 9.

The Year 9 and 10 students studying elective courses in the TAS area have the following due dates to keep in mind:

Year 9 Food Technology, (Kelly) Research task on Anaemia due Week 7.
Year 9/10 Timber Technology, (Williams) Careers research task due in Week 7.
Year 9/10 IST (Williams) Careers research task due in Week 9.
Year 9/10 Metal Technology (Martin) Metal Fabrication report due in Week 7.
Year 9/10 Engineering Technology (Martin) Industry study due in Week 7.

Year 10 Food Technology (Budden) Experiment report and brochure due in Week 8
Year 10 Hospitality (Budden) Careers research task due in Week 6.

Please encourage your child to ask their teacher for additional assistance if they require it to complete the tasks prior to the due date.
We also encourage students to make use of the Homework Centre which will operate after school on Monday and Wednesday afternoons.

We look forward to meeting with Parents and Carers in Week 9 on Wednesday 27th March, 2013 from 4pm until 7pm, where we can personally discuss your child’s progress.

Also remember that SAFE SHOES, are to be worn for all practical lessons in the TAS areas.

Until then, don’t hesitate to phone and make an appointment to speak with your child’s teacher.

Mrs Vicki Budden Relieving HT TAS
From the Careers Team

It has been a great start to the year in careers. We had a visit from Sydney University who worked with some of the Year 10 students on their study skills. The University Representatives talked to the students about time management skills and helped them make up their own study timetables.

Charles Sturt University Representatives also visited the school and worked with some of the Year 7, 8 and 9 students, targeting aspirations and goal setting. It was a great day full of fun activities to get the students thinking about possible career options for the future.

Anna Stuart and Tonya Graham from SCU Future Moves Program and Year 7 Delroy Students making a tower out of straws. The solid base of the tower represents your education and experiences - if the base is solid (Education is solid) you can achieve anything and get to the top of the tower.

The first issue of the “Careers News” has been emailed to all students. It is important for students to check their school emails as there is a lot of information on available jobs, apprenticeships, traineeships and training days.

The ‘Get Real’ program is commencing this week for all Year 10 students. The ‘Get Real’ lessons are designed to help students understand their options after year 10 and start thinking about their career pathway. The ‘Get Real’ assembly will be held on March 21 where Year 10 students will be asked to sign the pledge, which will commit them to prepare for their future careers. In signing the pledge students agree:

“I willingly commit myself to participate in the Get Real program and undertake that by my 17th birthday, I will:
• Be in full-time education in school or TAFE
• Be undertaking industry training or
• Be in full-time employment”

The assembly will be held in the Senior Campus school hall with dignitaries, school executive, parents and Dubbo Business Partnership members invited to attend.

Please “LIKE” our DUBBO COLLEGE CAREERS page on facebook.

Mrs Fleur Mara
Careers Adviser

Student Exchange – Memories and Skills for a Lifetime!

Give your child the opportunity to gain international experiences and language skills to kick-start a future career. Along with distinct language benefits, exchange students mature, gain confidence and develop a much more worldly approach upon their return to Australia.

World Education Program Australia (WEP), a not-for-profit student exchange organisation registered with the education departments, is now accepting applications for students to live overseas in 2013/14 as exchange students for a summer, semester or year.

WEP is offering two $3000 scholarships towards semester-long student exchange programs to Argentina and China commencing in 2014.

Find out more!
* Visit www.wep.org.au
* Attend one of WEP’s information evenings and open days
* Call 1300 884 733
**Dubbo College Sport Coaches 2013**

The list below is of the teacher who will take CHS College teams in 2013. These teams are all open teams and as such can be made up of students from 12 to 18 from the three campuses at Dubbo College.

Students must listen to daily notices and read sport notice boards to find out when trials are on for each sport.

Laptop computers boost digital literacy skills

Delroy Campus Year 9 students, Chloe Dowton, Carmen Rogers, and Selina Gibbs with Mr Sanjay Chandran Technical Support Officer and Principal Mrs Stacey Exner

Year 9 students at Dubbo College are set to benefit from the distribution of personal laptop computers in coming weeks, part of the Federal Government’s digital education initiative. A total of 120 computers will be distributed to Year 9 at Delroy Campus.

Delroy parents recently attended a special information night on the computer program.

The new metallic red Lenovo Thinkpad X131e computers have impressive processing capabilities with the latest Intel Celeron 887 processor and 4GB DDR3 1600MHz RAM, according to College network administrator Ms Karen Weekes.

“They have plenty of storage space with a 128gig Solid State HDD,” she said. “They come with a microphone and webcam, three USB points and a padded sleeve case. The battery will last for eight plus hours and they have more than $5,000 worth of software installed.”

Delroy Campus Principal, Mrs Stacey Exner, said the laptops provided equitable access to digital learning for students.

“The reality is that not everyone can afford to purchase a laptop for their child so this government initiative means every Year 9 student will have the use of one,” she said. “They will use it for classroom lessons and they will be able to take it home and use it for homework and further study.

“At school teachers plan lessons with the laptops in mind so students are continually improving their technical skills. Professional learning funds have been used to ensure our teachers are highly skilled in the use of the computers.”

Year 9 students at Delroy Campus have received their laptops and are making good use of them.

Work, Health and Safety at Delroy
Anaphylaxis Update

Anaphylaxis is a condition which is treated seriously by the staff of Delroy Campus. All staff have recently undergone training in the treatment of this condition.

The Work, Health and Safety Committee invite all Parents/Carers to update medical information about their student/s especially if they have an allergy which may require treatment to be administered at school.

Mrs Vicki Budden
Chairperson,
WHS Committee

ATTENDANCE

The Year Group ahead in the Attendance Data so far this Term is YEAR 7. The winning Year Group with the best attendance rate at the end of the Term will receive a free Pizza Lunch. Good Luck to all.
Red roses, chocolates, pink hearts and poetry were all on the menu for Valentine’s Day at Dubbo College 14.02.13.

Preparations for the big day started at Delroy Campus early in the week with valentines sold at recess and lunch by members of the SRC. On the big day Captains Sam Read, Sarah Toohey, Nikki Avila and Gabby Triplett looked the part dressed in red or sporting a traditional Aphrodite or Eros look. Others joining the fun were SRC members Rachel Wykes, who handed out valentines in her stunning Greek chiton, with Tori Campbell and Tarryn Renshaw playing cupid. Vice Captain Nathan Hawkes helped with organisation behind the scenes.

Dear Community

You are invited to attend the Delroy Campus Aboriginal Education Team (DCAET) meeting on the following:

Tuesday the 12th of March 2013
11am to pm
Learning Centre
Dubbo College Delroy Campus
Light Lunch will be provided

We will be presenting all the different programs that have been happening in our school and then asking for your feedback and ideas on how you would like our school to be.

Your input is very important and we look forward to seeing you there. RSVP 7th of March for catering reasons please.

Kind Regards
Equity Team
