Successful learning in dynamic, well managed classrooms
Welcome back to our new Term. Although only nine weeks in length it will be full of significant events.

The first of these are our NAPLAN tests for Years 7 and 9. It is very important that students come well-rested and prepared for these tests. This year all of the papers will be sat in individual classrooms rather than in the school hall. Our half yearly examinations for all students will follow in weeks 5 and 6.

Planning is well underway for the South Campus Athletics Carnival. In the same spirit as our well-attended swimming carnival all of the focus for the day will be on participation and supporting the success of each sports house. Much effort has been placed into providing events for both the serious competitor and those students who are keen to contribute to the success of the carnival as a whole.

With the onset of cooler weather can I encourage all students to please wear the appropriate school uniform. This includes supporting the excellent progress made in the workshop areas in terms of correct footwear.

Through the excellent efforts of Ms Leonie White our homework centre continues to operate on Monday afternoons from 3.15 to 4.15pm.

It is still not too late to make your school contribution. The response to our invoice based approach has been very successful. At the moment we have received a payment from 74 (double the number from 2013) of our 300 families. This is also important in terms of subject based payments for Techniques and Food Technology. These are now due and required if students are to complete the practical component of these courses.

Items of note in this edition are our excellent contributions our students made in a number of capacities at ANZAC Day ceremonies, Year 10 at the Get Real assembly, NRL player visits linked to the City v Country fixture, Robyn Hall and Tara Williamson who have been selected in the Junior Wind Ensemble and students from the Mulgabirra Program.

This will definitely be our last printed newsletter. Electronic versions of the newsletter are currently on the Dubbo College App (now available for download) and our website (www.dubbocoll.m.schools.nsw.edu.au). Can I encourage as many parents as possible to come along to our next P&C meeting which will be held on Monday 12 May. It will commence at 7.30pm in the Library.

Have a great week!

Darryl Thompson
Principal

Sportsworld T20 Indoor Cricket
Year 7 and 8

Four teams of boys and three girls’ teams enthusiastically participated in a new indoor cricket competition at Dubbo Sportsworld on March 18. We played against teams from Delroy Campus.

Ms Koop kept 3,2,1 scores throughout the day for Most Valuable Players in each team. Tied girls MVP went to Chloe Ahern and Maddy Fernando, while boys’ MVP was Samuel Bass.

The following students were rewarded for hitting 6s: Samuel Bass, Georgia Benton-Bryant, Rhys French, Nick Pawlenko, Mitchell Rosenbaum, Macey Shipp, Brayth Stevenson, Ben Wheeler and Ethan Willetts. Great hitting!

Cricket NSW Matthew Tabberner said that it was such a successful day that he was looking into organising further indoor day competitions for Year 7 and 8 boys and girls around Week 4 next term.

Thanks to Tom Barber, Wade Burrowes, Marty Jeffery and Tyler Spang for their vigilant umpiring and scoring. Thanks to Ms Ryan for being our bus driver.

Lisa Keightly Shield
T20 Girls Cricket Competition

Girls from Year 7 - 10 travelled to Mudgee on Wednesday April 2 for our first matches for the year. We played Gulgong HS first and went into bat. Chloe Ahern hit an outstanding not out 42, well supported by Rosa Gharibi (run out for 5) and Sarah Boon (run out for 6). Our total was 2/96.

Even though our bowling was a little off-target, Natasha Janetzki snared two wickets, including a great catch off her own bowling.

Overall, Gulgong just edged us out, scoring 8/97.

In our second match against Mudgee HS, they scored 2/93. Chloe Ahern again had an outstanding innings with the bat, retiring at 42 and coming back into bat. She was backed up by Bianca Stewart, caught for 13. We narrowly fell short of the target, all out for 79.

Many thanks to Mr Brandon for driving the bus, Wade Burrowes for umpiring and Connor Stewart for helping with the days’ activities.
Rugby league will be the winner after fifteen students from Dubbo College South Campus completed a level one referees course this week.

Year 9 and 10 students Will Allen, Clayton Couley, Blaine Gordon, Bowen Kavanagh, Gregory Kennedy, Connor Mawson, Jai Merritt, Kaidyn Mohr, Kaidyn Pearson-Miller, Brock Whackett, Kyle Ley, John Ciappara, Brandon Shean, Cameron Astill and Reece Flynn were selected for the course because they undertake a range of PDHPE electives.

National Rugby League game development officer for referees in the Western area, Willie Barnes, ran the course.

Dubbo College PDHPE teacher Nathan Jones said the students were surprised with some of the course content. “A few of the boys went in to the course thinking they were experts on the rules of rugby league,” he said. “But they quickly figured out they did not know as much as they thought.

This course opened up their eyes to how many rules and decisions a referee has to make during a game and also how tough a job it is.

They have a new-found respect for referees and plan to demonstrate a much more respectful attitude towards officials in games they’re involved in from this point on.”

Apart from receiving a level one referee’s certificate the students are now eligible to referee games up to two years under their age and run the line in any game of local football.

This will allow these students to volunteer their time at some of the primary school gala days to be held in Dubbo next term, referee weekend junior rugby league and be touch judges for Group 11 games.

---

**VACCINATION CLINIC**

*Parents Please Note:*

The second Vaccination Clinic will be held on 

**Monday, 19 May 2014**

Students who will receive vaccinations at this Clinic will be:

**Year 7 Boys & Girls - HPV, Varicella**

**Year 9 Boys - HPV**

A catch up for students in Year 8 who missed HPV Vaccination will also be done at this clinic.

Any Vaccination Consents that have not been returned please do so prior to Monday, 19 May, 2014.

*Please ensure students have breakfast the morning of vaccination.*

*Girls Rely Team:* Kelsey Rowe, Emma Blake, Meg Keizer and Jade Ledsham
Caring and supportive teachers specialising in middle schooling

Firstly, I’d like to introduce myself as the South Campus Careers teacher for 2014, my name is Mrs Vicki Kenyon. I have been a teacher at Dubbo College for 10 years and am very fortunate in the fact I have been given the opportunity to work with the students in a different role. I will be at South on Monday morning, Tuesday all day and Friday morning. I can be contacted either through South Campus office at these times, or through Senior Campus Careers 6882 4655 at other times.

I apologise for the lateness in my newsletter contributions. Term One came and went extremely quickly and I now have a bit to catch up.

For Year 10 from South and Delroy, The Get Real Assembly was held on Thursday 3 April at Senior Campus. It was a successful morning with the students displaying good manners, respect for themselves and their school. Hopefully it reinforced the idea of taking responsibility for their future choices, and that it is now time to “Get Real” and start thinking about what they can do to help themselves.

On Tuesday 8 April a small group of about 18 students from South, Delroy and Senior Campus went on an excursion to the Return Services League Club in Dubbo to explore what it would be like to work in one of the many fields of employment that they offer. We spoke to staff in the bistro, a chef from the ‘178’ restaurant as well as Gavin Townsend the Assistant Manager of the RSL where he discussed qualifications needed, details of income, various jobs that are offered in that industry and the benefits that staff receive. The kids had a guided tour of the building from the storeroom below the bistro to the aquatic centre next door to the gym. A big thank you to the Dubbo RSL team for showing the students of Dubbo College the opportunities that working at a club has to offer.

Under the instruction of Mr Cal Reid, 20 students from South completed their white card training. Another course will run sometime this term as there are still a number of students wishing to do their training. A white card is a Work Health and Safety course designed to inform workers of safety laws and work hazards to be aware of, and is a prerequisite for any worker entering a building site.

Representatives from Sydney University will be visiting for a drama performance for all of Yr 7 on Tuesday 20 May. The performance is aimed at encouraging students to remain in post school learning. The characters explore the options of TAFE, HSC and University and provide an insight into each option. For further info... http://www.bridges.nsw.edu.au/projects/ onwards_and_upwards

A couple of Year 10 students have already attended work experience last term and quite a few more have indicated an interest for this term. Work Experience is a great way to assist you to find a career you may be interested in... or one you may want to exclude from your list. To be considered for work experience, we require the student to have completed a work readiness program and we need to be confident the student is going to represent our school well.

If you can or know of any businesses who may be interested in taking on a work experience student at anytime during the school year, we would love to hear from you.

Five students from South Campus, along with students from Delroy and Senior attended an excursion to the University of New England on 1 and 2 April. We all had a great time visiting the University and exploring the facilities, investigating the courses on offer and catching up with a few ex students. The students represented us well and were commended by other teachers also visiting.

Lastly for now, students can you please remember to check your school emails for any important information you may be sent. Year 10 can you also remember please DO NOT DELETE email from BOS re your “up2date” login and details, and remember to “LIKE” Dubbo College Careers facebook page for up to date information on upcoming events, advertised positions and any other news we may like to share.

Mrs V Kenyon
CAREERS
The carnival will start at 8:50am and conclude at 3:00pm.

400m & 1500m events will run at 8:15 am for competitive runners only. Interested students must register with Miss Blanco before the day.

**Venue:** Riverbank Athletics Track, Maclay St. Dubbo.

**Cost:** $5.00 (to cover the cost of venue and equipment hire). All money to be paid on the day during roll call. It is appreciated if students can bring correct money.

**Travel:** A bus will be leaving South Campus bus bay on Boundary Road at 9:00am and will return students in time for afternoon buses. The cost of the bus is $2 each way.

**Food:** A BBQ will be run by staff as well as a cake store organised by the SRC.

We have been working hard to cater for all students, with both competitive, non-competitive and novelty events running throughout the day. Students who compete or participate in 3 events will go in a draw for prizes at the end of the day. There will also be prizes for best dressed and $50.00 dash for cash for both boys and girls.

For this to be a successful event we urge you to encourage your child to attend and participate in the event and show school spirit by dressing in house colours. Houses are as follows:

<table>
<thead>
<tr>
<th>House</th>
<th>Name</th>
</tr>
</thead>
<tbody>
<tr>
<td>RED</td>
<td>Briganea</td>
</tr>
<tr>
<td>BLUE</td>
<td>Macoolari</td>
</tr>
<tr>
<td>YELLOW</td>
<td>Parayong</td>
</tr>
<tr>
<td>GREEN</td>
<td>Yarradaroo</td>
</tr>
</tbody>
</table>

Surname

Students will not be permitted to leave the ground at any time during the carnival.

For any further information please do not hesitate to contact Ms Blanco at the school on 68823744.

---

**TERM II—HERE WE GO, LOTS ON FOR THE CREATIVE AND PERFORMING ARTS.**

This week 20 students from South Campus will be heading to Delroy for their production of *Zombies* a musical. The show will also be performed on **Friday and Saturday evenings at Delroy. Be there at 6.00pm for a 6.30pm** start. A BBQ sausage sizzle will also be available on the nights. Please come along and support our fellow College students.

This term sees our students preparing for the Dubbo Eisteddfod which commences at the end of May and extends through the month of June.

The big news is we have announced our cast for our awesome musical “**Back to the 80’s**” which will be presented in Week 5 of Term III. Cast are preparing for this on Wednesday afternoons at school from 3.30pm to 5.00pm. Students have received notes regarding this and the notes need to be returned to the Administration Office asap. The show has many great hits from the 80’s and student interest is huge, so we are excited about creating this positive event and the atmosphere in the school which comes from working on a school musical. Get ready for the rollercoaster ride and the fun that comes with the preparation for our final performances.

We will keep you updated along the way through school news, however if you think you can assist with any support or sponsorship for our show, please do not hesitate to get in contact with Mrs Robin Higgins in the office or myself. We want this to become a full school/community project that we can all enjoy.

*Stay tuned for updates*

Cheers

Ms J Marshall

The P & C Association meets in the Library at 7.30pm on the second Monday of the month.

WEP Student Exchange
Memories and Skills for Life!

Choose from over 20 countries around the world to attend school, live with a welcoming host family and have the time of your life. Whether you wish to learn another language or choose English-speaking destinations like the USA, Canada or Ireland, students return with memories and skills for life.

"Up until now it really hasn't been real to any of us but now it's all official. Victoria is so excited and can't wait to leave. She has already begun emailing with her host mother and sister in Italy and will call on Skype on the weekend as the time difference makes it very hard during the week. She is being hosted by a family who have a daughter her age, so she is now saying that she will have another sister. To make it even better still, they live in northern Italy so she will get to experience her first "white" Christmas. Thank you so much for your assistance in making Victoria’s Italy exchange a reality.”
~ Michelle - Mother of Victoria, semester program to Italy

Early Bird Special – Save $500
WEP is offering students in years 9 to 12* a $500 discount off the 2014/15 program fee towards a semester or year program to any of the following countries departing in January - March 2015: Brazil, Belgium, France, Germany, Italy, Mexico, The Netherlands, Poland, Spain, Norway, Thailand or the USA. Early Bird applications close 30 May '14.
*Offer not available to year 12 students in Victoria or in conjunction with any other offer or scholarship.

Interested in Hosting an Exchange Student?
Travel from the comfort of your armchair by extending your family with an overseas host brother, sister, son or daughter. Hosting an exchange student is fun and can result in lifelong friendships. Our students are due to arrive in July for a semester and year and can’t wait to hear about the family they can call their own.

"Wonderful - joyous - heartfelt. An absolutely wonderful idea and so beneficial for all involved, from family to school friends. We truly feel Enrico is another member of our family.”
~ Marie - host mother of Enrico (Italy)
