Welcome back for Term Three.

Half yearly reports have been distributed. Please feel free to discuss your child’s progress with staff. Formal Parent Teacher evenings will be held on Wednesday 3 September for Years 7 and 8 and Tuesday 9 September for Years 9 and 10.

Can I please stress a few important points in terms of school policy and process. Students who need to leave early MUST have a note explaining the circumstances of their early departure. It is important to be specific with the times of the departure. Students cannot be released into anyone’s care who are not identified on our school records. If this is not possible I need a note with detailed information giving another person permission to collect children. A phone call is also useful in this respect.

We have had evidence of Head Lice in the school. An information letter has been distributed. Please ensure that if your child has Head Lice they are treated before they return to school. This includes bedding etc at home.

This time of the year is very important, especially for Year 10 and Year 8 in terms of planning for next year. Year 10 have completed an extensive program of interviews which are designed to provide them with detailed information about options for further study. This week a subject selection evening has been held at Senior Campus.

Next Wednesday 30 July similar information sessions will be held for Year 6 students entering Year 7 in 2015 (from 6pm to 7pm) and Year 8 students selecting subjects for next year (from 7pm to 8pm).

Our Captains, accompanied by Ms Yaghjian, visited Parliament and Government House late last Term. It was an excellent opportunity to meet with our wonderful NSW Governor Marie Bashier who is retiring soon. As always they were great ambassadors for our College.

We have wished our maths teacher Rebecca Smyth well as she travels to France to play Rugby for Australia.

Can I remind you that our NAIDOC Day this year will be held on Tuesday 12 August and feature our special guest Sean Choolburra who was very well received at last year’s celebrations.

Items of note in this edition are that Jason Bain from Year 7 represented the College at State Cross Country, our debating team has won through to the next round against Nyngan HS, our Clontarf Academy is up and running, preparations for our Musical ‘Back to the 80’s’ are well underway (tickets are now on sale so get in quick!), our Western NSW Athletics Carnival are off to Bathurst and our Rugby team who are travelling to Sydney to compete in the NAIDOC 7s Cup.

Can I encourage as many parents as possible to come along to our next P&C meeting which will be held on Monday 11 August. It will commence at 7.30pm in the Library.

Have a great week!

School Leadership Program
At the end of first term I took the College Captains to Sydney to attend the leadership conference and to meet the Governor, Professor Marie Bashir.
The day started with an early flight and a walk around Martin Place whilst waiting for the Conference to start. In Parliament House, we heard from a numbers and listened to them field astute questions from a number of students. A tour of the houses and the oppress room was next followed by a quick lunch and chance to meet students from other schools.
The afternoon included a walk to the Governor’s house and a tour inside. Governor Bashire spoke to us for almost an hour and was incredibly interesting. She is a very vibrant and passionate woman.

National Tree Day
This week my Year 8 classes planted over 30 trees in the Ag Farm for National Tree Day. These trees will act as a great wind break from those nasty westerly winds in the summer as well as a source of shade for the stock when they grow a bit.
The students enjoyed the chance to get their hands dirty and be outside in the sun after some of the cold grey days we’ve had lately.

PDHPE News

The PDHPE faculty have continued to implement engaging and relevant theory based assessment tasks. This term we will continue with in class based assessments utilising the A.L.A.R.M literacy scaffold which has been very successful in increasing both student completion rates and achievement levels.

Furthermore this year we have been critically evaluating and improving our practical assessment procedures. We have introduced opportunities for students to be given formal teacher feedback on how to develop their movement, game skills and practical achievement levels. Students are now formally notified when they will be assessed and are given specific guidelines so that they are aware of skill, team and tactical criteria they will be assessed against.

**Please be aware if students are physical injured or sick and cannot participate all students require a signed parental/carer note outlining the condition.**

**Hello everyone!**

Welcome back to Term 3! With the new term comes a wonderful opportunity to sign up for the **2014 Dubbo Stampede** to be held at the Taronga Western Plains Zoo on **Sunday 7 September**! Many of you have been part of The Stampede in the past, helping to make it a wonderful community experience and we would love for you to take part again or perhaps participate for the first time.

The event that often appeals to families is the **5.5km Dingo Dash**; a walk, jog or run that loops past animals from all around the world. However, the **10km Cheetah Chase**, the **21.1km Zebra Zoom** and the **42.2km Rhino Ramble** are also alternatives.

Details regarding events, times, pricing, merchandise and the registration process are available at [www.dubbostampede.com.au](http://www.dubbostampede.com.au)

An event like The Dubbo Stampede also requires many, many enthusiastic volunteers. If you think that encouraging walkers and runners or helping out is something you or your family would like to be part of, we would love to hear from you via [contact@dubbostampede.com.au](mailto:contact@dubbostampede.com.au)

We look forward to seeing as many of our local families (and your friends and families!) as we can on Sunday 7 September.

The students in Mrs McLachlan’s Year 7 and Year 8 Advanced English class have shown interest in sponsoring a child through Save The Children Fund. The students donate their small change to Save the Children Fund every month. All students are welcome to contribute. Every month a cheque will be drawn by the office staff and sent to Save the Children Fund. From every $1 we give they will invest 83 cents to benefit children through their health, education, child protection and humanitarian response programs. Thankyou to all students involved for their commitment to such an important cause.

Wade Burrowes recently represented the NSW indoor team at a cricket tournament in the holidays. Wade was named player of the series out of all states at the tournament.

He also made the U17 Australian Indoor team and the NSW 20s Indoor cricket team.

This sadly will be the last time we report on Wade’s success at Dubbo College South Campus, as he is off to Canberra to pursue his Cricket! We wish Wade all the best and look forward to seeing him play for Australia in the years to come!

Tanika Kennedy recently was selected across all of Australia to represent the U12 Indigenous Australian school girls netball team In Queensland. During the holidays she played against teams from NZ, Samoa, Fiji and Malaysia to name a few. The U12 Australian Indigenous girl’s netball team was so successful they began to play against U14 teams as well.

Well done Tanika on your outstanding efforts!

We have many up and coming sporting events occurring in the next few weeks:

This Friday (25 July) we have a number of students heading to Bathurst to compete at the Western Region Athletics Carnival!

In week 3 we have a 7/8 girls netball team heading to Orange to compete in the schools cup finals!

We also have the U15 girls Rugby 7s team heading to Sydney in August to compete in the finals!

Good luck to all competitors!

There are many other sporting events occurring this term so please make sure you listen out to the notices to hear about trials and competitions!

And of course don’t forget to sign up for the Dubbo Stampede! It is on the 7th September! A great day guaranteed! See Miss Ryan for more information

Remember if you have any sporting success please let Miss Ryan know so we can acknowledge your success!

Georgia Miller and Brook Sendt represented Dubbo College South Campus at the opening of the Anne Frank exhibition at the Western Plains Cultural Centre on 24 June. Both girls read excerpts from Anne Franks Diary and were both presented with a copy of Anne Franks Diary by Andrew Glassop the Manager of the Western Plains Cultural Centre. Anne Frank is a moving exhibition documenting in text/ letters and photographs the life of the young Jewish girl hiding away in the Netherlands.

Both girls read beautifully and were excellent representation for our school. Well done girls!!

Sport Report Term 3 Week 1

Outstanding range of opportunities for individual success
A representative from the AES visited on Tuesday the 17 June to speak to any Yr 10 students interested in School Based Traineeships for next year. Only a few students took up this opportunity, but were keen and hopefully successful in their establishment of a traineeship.

Yr 10 students considering TAFE for next year tested the courses whilst visiting both the Myall Street Campus and Narromine Road Campus. Students chose two sessions to attend, and were informed of the content and expectations if they were to enrol in a TAFE course for next year.

Yr 9 students interested in University courses in the Health area travelled to CSU Orange to look more closely at the courses on offer. The students had a great day and a special thanks to Mrs Watts for escorting the students.

After being interviewed by the Careers team in week 2, Year 10 going into Year 11 attended information sessions at the senior campus. This information was delivered by Faculty Head Teachers and the TVET coordinator who informed students of procedures and expectations of these courses. A considerable number of parents also attended an information that night and many questions were answered in respect to opportunities and suitable choices. Any student or parent still questioning future options or choices are very welcome to make an appointment to see me.

A REMINDER: The annual JOBS EXPO will be held at the Senior Campus on the 6 August for Yr 10 students from the Western Area. All Year 10 students from South will be attending during period 3 and 4, and MUST be in full school uniform.

ALL STUDENTS: Please remember to check your school emails and Dubbo College Careers Facebook page for the latest opportunities and information.
