I am very excited and honoured to be back at Delroy after a short stint here in Term 1. I would like to congratulate Mrs MacLeod on her promotion in gaining the position of Principal at Gulgong High School. Mrs Exner is on extended sick leave and we wish her a full and speedy recovery.

It was very moving indeed when Mrs Exner spoke at the assembly in Week 2. She told the students of her journey with breast cancer and stressed the importance of having regular health checks such as mammograms for the ladies and prostate checks for the men. Her message was to really value and appreciate every day because you never know when your life will turn upside down! Mrs Exner said there was no history of breast cancer in her family, she ate healthily and exercised and it was really the fact she had some time off and was a supporter of Pink Angels that she took the time to have a mammogram. Thank goodness she did! It was with great pleasure we were able to present Donna Falconer from the Pink Angels organisation with a cheque for $1000 which was raised from a “Pink Day” held at Delroy Campus, South Campus and Senior Campus in Term 3! What a great effort from the students and staff at Delroy and the College!!

The Year 6 transition program has been going extremely well thanks to organisation by Miss Bermingham, Mrs McAneney, Mrs McConnell and Mrs Budden. The primary school students have enjoyed the mini lessons and familiarising themselves with Delroy.

In addition, the Peter Aird Shield was held last week in Touch and Netball for Year 6. It was a fabulous day and thanks go to Mr May, Michael Lee and the Clontarf team for all the superb work in the organisation! It was great to see students from the Senior Campus, Delroy and South who officiated on the day and our thanks go to those wonderful ambassadors for Dubbo College!

Year 10 are looking forward to their Gold Coast excursion in Week 9 and they are also working with Careers finalising their subject for next year at Senior. Ms Piddington has been working hard to finalise our

Exams for all students are in Week 7, starting 16th November so I hope students have begun studying at home. Remember our Norta Norta tutors are available to help students with study and assist in helping complete assignments. We have a lot of other support at school including Clontarf, Get Real, Careers, I-can, NASCA, the AEOs and our teachers aides (SLSOs) so if anyone needs help just ask! I wish all the students well in their final assessments.

Remember what you get out of life is what you put in!

I would like to invite parents and friends to the College Awards night on 11th November at DRTCC at 6:30pm to celebrate the outstanding efforts of the students in Public Education, thanks to Mrs Smith and Ms Bell for their organisation in working with the award winners and preparing musical items. I hope to see lots of Delroy parents at this prestigious event!

Remember students “Be awesome!!”

Issue 2 Term 4 Week 6

Wednesday 11th November 2015
PARANORMAL DISCO AT DELROY CAMPUS

This year’s much anticipated School Disco went ahead on Wednesday 21st October despite a heavy downpour of rain prior to doors opening. Students partyed the night away dressed in their best Halloween/paranormal outfits and participated in a range of activities with prizes up for grabs. Many students spent hours perfecting their paranormal look and showed potential for being future movie make-up artists. Congratulations to Charlee Campbell who was voted best dressed and Brandon Dennis who flipped his way to dance off champion. A big thank you to the SRC for making this event possible.

Mr Leigh Rice SRC Co-ordinator

From the Science faculty......

What’s living on your skin?
Year 9 Science students have been learning about infectious diseases. Some students swabbed their ears, their hands, their shoes, door handles and other items around a science classroom to see what types of microbes were living there. The results showed a range of yeast, bacteria and mould (fungi) species living basically everywhere, with shoes having a particularly high biodiversity.
The good news is that these microbes are usually harmless. Some research indicates that killing off these common microbes with harsh chemicals weakens the immune systems of young people and increases the likelihood of severe allergies. However, I wouldn’t recommend spreading any of these microbe colonies on a piece of toast.

Mr Maurice Elbourne-Binns
Head Teacher of Science

Seasons for Growth Grief Program

Learning to Live with Change and Loss
Change and loss are issues that affect all of us at some stage in our lives. At Delroy Campus Dubbo College we recognise that when changes occur in families through death, separation, divorce or related circumstances, young people may benefit from learning how to manage these changes effectively. We therefore, offer a very successful education program called Seasons for Growth. This program is facilitated in small groups and is based on research which highlights the importance of social support and the need to practise new skills to cope effectively with change and loss. The program focuses on issues such as self-esteem, managing feelings, problem solving, decision making, effective communication and support networks.

If you think your son or daughter would benefit from Seasons for Growth we would encourage you to talk to him/her about participating in the program during 2016.

Dubbo College Delroy Campus is pleased to be able to offer this important program and we are confident that it will be a valuable learning experience for those who request to be involved. If you require further information please contact Mrs D Kelly at Delroy Campus our program co-ordinator (6882 7955).

Saver Plus
Receive up to $500 toward education costs for you or your child including school uniforms, stationary, textbooks, tablets, laptops and desktops, TAFE and apprenticeship costs, sports fees and equipment, excursions and more.
You may be eligible to join if you:
* Have a Centrelink Health Care Card or Pension Card
* Over 18 years
* Either yourself or partner have some regular income from work including part time, casual, seasonal, or be self-employed.
* Have a child at school or attending vocational education yourself.

To find out more contact John Edwards on 6882 3329
NGUMBAAY ABORIGINAL GIRLS CIRCLE

Have you heard about our Girls Circle? Would you like to be in our very successful group in 2016?

The Girls Circle meet regularly as it is a timetabled program at Delroy Campus. During Term 1, we attend a two day camp where we have fun and engage in many activities. The camp in 2014 focused on ‘Respect - Working Together’. Time at the camp is also spent discussing our project that then becomes a major focus for the year.

The project completed in 2014 was a poster creating awareness around Diabetes and focused on the hidden sugars in our snacks. This poster has been distributed to the wider Dubbo community, as well as some of the Indigenous communities in the Northern Territories.

The 2015 project is a video focussing on ‘Acts of Kindness - a small step to making big changes’.

Here are some thoughts from the girls:

“It is a privilege to be part of the Girls Circle. There is so much stuff that’s fun and you learn a lot from the projects.”

“The best thing about the camps is being able to work with different groups and to get to know each other.”

“Learning new things to take home and teach or tell them about it.”

“I learnt heaps about being healthy and having respect for others.”

“We can all make a difference in the community. Teamwork and communication are important and Girls Circle is so much fun.”

If you would like to be part of this awesome Girls Circle, then be ready to fill in an application form at the start of Term 1 2016.

Mrs Dyanne Kelly
Ngumbaay Aboriginal Girls Circle
Teacher

Mobile Phones and electronic devices are NOT to be used in class. If they are used in class they will be confiscated by the teacher.

The phones will be stored at the office and may be collected by the student from one of the Deputy Principals

Saver Plus
$500 in matched funding for education costs including school uniforms, stationary, text books, tablets, laptops and PC’s, TAFE and apprenticeship costs, sports fees and equipment, excursions and more.
Conditions apply and to find out more contact John Edwards on 6882 3329
Duke of Edinburgh International Award

Students in the Delroy Duke of Edinburgh International Award program finished off their Adventurous Journeys with an overnight canoe trip on the Macquarie River and an orienteering camp out of Dubbo. These Journeys are one part of their award program which also includes sections on Skills, Physical Activity and Community Service.

To complete the canoe expedition, the students were joined by Mr Woodhead and staff from Wambangalang Environmental Education Centre. The group entered the river at the Terramungamine Reserve, aiming to arrive at the Whylandra Crossing campsite by late afternoon. A combination of a very fit and eager group of students, and a slightly increased flow in the river meant that we arrived by early afternoon. Once the camp site was set up were able to have a relaxing time swimming and snoozing.

Day two of the expedition was much shorter and involved a paddle from Whylandra Crossing to Dickigundi Reserve. While shorter, the paddle was more involved as the group had to negotiate a number of obstacles, including fallen trees blocking the river, sand and gravel banks and extensive reed beds.

On this leg we stopped at a site used by Aboriginal inhabitants to sharpen their tools and weapons.

A second group of students camped out overnight out of Dubbo on a local property and completed a number of challenges. These included an orienteering course in which they had to show their skills with maps and compasses, the sitting and setting up of a camp site and of course, the preparation of meals.

Time also allowed for an extended game of spotlight after dark, a fun way to end a busy afternoon. The following morning focussed on the efficient management of campsite and the maintenance of camping equipment, ending early enough to provide an opportunity for a milkshake in town.

Once these students have completed their Journey Logs and submitted them for accreditation, they will only need to complete their remaining sections to complete their Award.

Mr Paul Woodhead
Delroy Duke of Edinburgh Leader

A reminder to parents and visitors to the school:
Visitors and parents are required to enter the school via the office where they are to sign in.
If remaining in the building please obtain a visitor’s badge from the office.
**Peter Aird Shield**

On Thursday 29/10/15 Dubbo College ran a very successful Peter Aird Shield day. The day involved 200 Year 6 students, who will be coming to Dubbo College in 2016 in Year 7, taking part in a netball and touch competition. Students competed for their primary school with the school achieving highest in a combined points tally from both sports taking out the Peter Aird Shield.

In the end Orana Heights won the boys touch competition and they also won the girls netball competition. Then with combined results they were declared the inaugural Peter Aird Shield winners for 2016. Charlotte Hall (Orana Heights) was the girls netball best and fairest and Jacob French (Orana Heights) was the boys touch best and fairest.

Through-out the day all matches were umpired by students from both Dubbo College South Campus and Dubbo College Delroy Campus. They all did fantastic jobs achieving high praise from all involved. Well done to **Krystal Dallinger, Alison Toohey, Aroha Taurau-Ngamotu, Claudia Bruce, Sheridan Munro and Georgia Josephs** for their help in netball. And a big thanks to **Tim Boney, Connor Morris, Lachlan Keller and Clayton Daley** for their help with touch on the day.

*Mr May*

*Head Teacher PDHPE*

*Boys Best and fairest touch: Jacob French (receiving certificate from Mr Berry, Head Teacher PDHPE Dubbo College South)*

*Girls Netball officials from Dubbo College*

*Delroy Campus Boys Touch officials*

*Boys Touch Orana Heights versus Dubbo Central*
The year is fast approaching its end and the students have loads of creativity to produce in such a short time frame. Music students have been busy applying their knowledge and skills on different instruments whilst also taking up opportunities to experience the African Drumming workshop earlier in the term. Students learnt complex rhythms in a drum circle to later perform for classes at South Campus. Drum circles aid in ensemble skills, communication and musicality. Rehearsals are also currently taking place for the College Awards Night, Delroy Awards Night and other events coming up in the school and wider community. Keep checking the daily notices!

Remember: If you have borrowed an instrument, could you please return it for stocktake and checking.

Art students have been getting themselves prepared to create a clay sculpture (Year 7 – a beast and Year 8 – a human form inspired piece) in time to be fired in the Kiln and presented for assessment. We encourage the students to enjoy their experience using clay and to be patient with it also – it can become quite daunting at times.

Good luck with your assessment pieces, can’t wait to see what you all come up with!

Ms Bell-Lange, Ms McConnell and Mrs Livingston
CHILD STUDIES REPORT

Year 9 Child Studies students have just completed their visits to child care centres around Dubbo. They walked to Dubbo West Pre-school on Baird Drive, West Dubbo Infant School pre-school and Goodstart Early Learning centre in Baird Drive. Students were able to interact with pre-schoolers ranging from 6 months to 5 years. This activity gave our students the opportunity to explore whether this would be a profession they would choose in the future.

Students from Year 9 also attended the West Dubbo preschool NAIDOC day. Students helped with face painting, played games with the students and enjoyed a BBQ lunch with the preschool Staff and students.

Year 9 have also started their Term 4 assessment task. Students are to design and create their own child care room. They are required to draw a plan of their room, make sure it is a completely safe environment and then make their 3 dimensional room.

Mrs Peta McAneny PDHPE
YEAR 6 TRANSITION

Week 4 of term has just seen the Year 6 students complete their second round of orientation into Year 7. Students have been involved in all faculty areas doing mini lessons. The third set of mini lessons will be held in Week 6, followed by a day with ALL Year 6 students together. A big thank you to all teachers who have been involved at Delroy and to the teachers who have accompanied their students for these lessons. It has been great meeting all the new students and we look forward to seeing you in Week 6.
GOLD LEVEL EXCURSION

Students who achieved the Gold Positive Behaviour for Learning level (PBL) in term four, were awarded the opportunity to attend the Great Aussie Bush Camp in Newcastle. A range of students from year 7-10 attended the camp for an action packed 3 days of outdoor and adventurous activities. Despite severe thunderstorms, rain and being scared of heights, all students displayed a positive attitude and developed team work, communication and problem solving skills. Activities included high ropes, flying foxes, abseiling, sea kayaking and the vertical challenge. Instructors from the camp were impressed by student behaviour and commented that we were among the best group they had ever had. Congratulations to the staff and students involved and in particular, thank you to Miss E Smith for organising the event. Students were accompanied by Mr Leigh Rice and Ms Nicole Wonderley on their excursion.

On the weekend Mark Prince, Troyden Dixon and Paul Eastwood from Delroy Clontarf Academy participated in the MS Gong Ride which is a 58km course from Engadine to Wollongong through the National Park and along the Sea Cliff Bridge. The ride is to support Australians with MS. The boys represented Delroy and Clontarf with distinction.

SCHOOL POLICY ON
STUDENTS WHO ARE UNWELL

When a student is unwell at school he/she:

◊ must obtain a note from the teacher and then present at the office, where a parent/carer will be contacted by the office staff to collect the student.

◊ Students are NOT to use their mobile phones to phone parent/carer directly.

For legal reasons and school policy students are NOT to leave the school without signing out at the office.

ATTENDANCE: NOTES for PARENTS and CARERS

Attendance every day that the school is open for instruction is a legal requirement and a major responsibility of parents/carers. Please send a note when your student has been away from school.

• Prosecution in the Local Court - If all attempts by schools and regional support staff fail to improve a student’s attendance, action can be taken in the Local Court and the result can be fines up to a maximum of $11,000.

A NOTE TO PARENTS/CARERS and STUDENTS

Tank tops/singlets are not to be worn at school.

These tops are not part of the uniform and do not meet sun-safe requirements.

LEVELS SYSTEM

Do your Best, be Equipped ready for Learning, show Respect and make the most of the Opportunities offered by Your School
