A Dubbo College contingent of 27 swimmers took part in the State CHS swimming carnival at the Sydney Olympic Park Aquatic Centre at Homebush last week. All students gained selection after strong performances at the Western CHS carnival earlier this year.

Students in the South Campus squad include Darcy Wood, Jayden Blake, Toby Stewart, Matilda Irvine, Billy Munn, Olivia Watmore, James Murphy, Ned Manton, Tyler Edwards, Jordan Fuller, Martha Munn, Holly Keizer, Ava Medley, Eliza Vail, Maddie Fernando, Tara Williamson, Meg Keizer, Juliet Furner, Kelsey Rowe, Emma Blake and Angus Wood.

Congratualtions Team

Dubbo College sports coordinator Bec May said the majority of the squad have competed at State level in previous years.

“All these students are committed well-disciplined swimmers who participate in local clubs and regularly attend carnivals,”

“They are self-motivated and used to setting goals and working hard to achieve them.

“Some of our older students will be out to impress in their final opportunity to swim for the College.”

School community engaged in lifelong learning
Creating mature and responsible citizens

From our Principal’s Desktop

What a way to finish the Term. The Forte – Let’s Get Loud performance was a sell out and a fitting celebration of Public Education and talent across the College. Congratulations to everyone involved. Although a bit biased, the variety and talent of the South Campus students on the night was a highlight for me. We also definitely have some very talented students in our Primary Schools. Well Done to Billie Palin, Nathan Bryon and their team for an outstanding night.

As advised last week Year 7 and Year 9 will sit the NAPLAN tests from the 12 to 14 May this year. I will update you with more detailed information as we get closer to the date.

Photos this week highlight a number of key events over the past fortnight. Our Swim Team did very well as they travelled to Sydney for the State Championships and the Science and Engineering Challenge team are featured as they prepare for the State finals in Newcastle.

Students this week have completed the Tell Them form Me Survey. The ‘Tell Them From Me’ process is run by an external company engaged by the Department of Education and Communities to assist with our planning.

You will have received an invoice for the collection of our school contribution. The amounts were confirmed at our last P&C Meeting. They will remain the same at $120 for one student or $200 per family. These funds will be used this year to provide resources for our library and continue to fund the implementation of our interest group activities on Tuesdays. Thank you to those families who have returned the contribution.

I had the pleasure of watching our Under 15 netball team compete in the Western Region Final on Monday. This is the first time the College has had a team reach this level. In a very close result the girls were defeated by five goals. Their attitude and dedication were a credit to the College. My thanks go to the girls and Mrs Richardson for their efforts in the competition.

Our Year 7 students competed in their Fun Run this week. This annual event is always an important part of the calendar. Details of the results will be available soon.

As we near the end of the term I can remind you that the first day of next Term, the 20 April, is a School Development Day. This will be hosted here at South Campus and we will be working in faculties to develop the School Plan. All students are to return on Tuesday 21 April.

Our next P&C meeting which is the AGM will be held on Monday 27 April next term. I once again encourage as many parents as possible to come along to this meeting. It will commence at 7.30pm in the Library.

Have a great week and enjoy your time with family over Easter!

Darryl Thompson
Principal

Congratulations to the following students who were the winners of the sportsmanship award for term 1! The sportsmanship awards are won by students who have been given the most 3, 2 or 1 points for the term by their teacher. Teachers give these points out to students who demonstrate sportsmanship and enthusiasm in their sport periods.

1\textsuperscript{st} place: Sophie Mancer, 2\textsuperscript{nd} Place: Tristan Delaney
3\textsuperscript{rd} Place: Callum Astill

Congratulations to all students!

Don’t forget to check your sport choice and if your name isn’t there make sure you see Mrs Richardson!

Keep up the good work!
Mrs Richardson

DCSC Sport Report

Calling all students to represent our school at this very special occasion on Saturday 25 April in the annual Anzac Day March. Students will need to be in full school uniform. This is a unique opportunity to show your respect and to honour our service men and women those who are living and those who have passed. Lest we forget.

Notes with details of this occasion can be obtained from Miss Kersley early next term.

REMINDER

DUBBO COLLEGE SOUTH CAMPUS

Parents & Citizen Annual General Meeting

Monday 27 April 2015
7.30 pm
School Library

The following representative positions will be elected at the meeting: President Vice President Treasurer Secretary

All welcome
During our line 8 activities Mrs Wood’s interest group have been busy learning to make coffee using a commercial espresso machine we have in our hospitality kitchen. The students spent the first two weeks practising on the machine and are now fulfilling orders for staff. They have been busy making and delivering a wide range of coffees to staff and are hoping once the weather cools down the orders will pick up. Although the students will not gain any official qualification many of them are thoroughly enjoying the experience.

Mrs Wood
TAS FACULTY

As a part of their assessment Year 8 Technology Mandatory - Food Technology had to design and create their own healthy café food. Students had to follow the design process including researching and developing a prototype, which they produced and evaluated to result in their final recipe. Some dishes included, green muffins, a reduced fat walnut brownie, mini quiches, banana choc chip muffins and a couple of omelettes.

Successful learning in dynamic, well managed classrooms
End of term already! It has been a huge roll out of events for CAPA.

This week we have Gabrielle Wood, Brook Pilcher, Jade Allen, Holly Faulds and Annika Walsh attending Western Region Dance Camp. Congratulations and enjoy!

The last Sunday of the upcoming holiday Grace Gower, Phoebe Cusack, Savannah Granger, Kiara McLean, Tyran Tuckey will be attending the Western Region Drama Camp. We hope all have a fantastic time!

Sarah May Bruce and Holly Faulds were successfully chosen from Bangarra Dance Workshop of which we had 8 students (Holly Faulds, Kaiesha Clarke-Russo, Shania Hangan, Kiara Singh, Sarah May-Bruce, Kiesha Ross, Maddy Sandry & Jacinta Newman) attend. The students will become part of an ensemble which may perform throughout the year at events such as School Spectacular.

The 360 Allstars were incredible and a huge thanks to Clontarf for your support of the boys who attended the workshop and show as we all had a wonderful time.

The special event “Forte” saw 68 of our talented South Campus students perform in items that included the combined band, jazz band, our performance troop with the piece “One Short Day” from wicked and the Drama Group ANZAC tribute presentation. We were very proud of the fantastic student effort and achievements. A huge thanks to staff who assisted on the day and night with getting band equipment to the theatre, helping to make-up our students, played in the band and helped front of house.

Entries for the City of Dubbo Eisteddfod have been made and this will become a focus for next term.

In our Visual Arts areas, we have seen the completion and hanging of some wonderful student murals. They are really helping to give our school a “face lift”. Well done to the students involved and the wonderful Visual Arts staff co-ordinating this project. Miss Shirm’s mural group are chipping away at these projects and it is fantastic to see these works impacting on our school playground.

The Dubbo Macquarie Library has some wonderful workshops lined up for the holidays. They have a great youth program organised so check it out and organise yourself something fun to do with your friends these holidays.

We will be looking for approximately 20 Year 9 and 10 students early next term to be part of some special art workshops with an artist in residence at our school so keep your ears open for this when you return. This will take place in May. See Miss Shirm, Ms Dawson, Miss Thomas or myself if you are interested.

We hope you have a wonderful Easter Break and enjoy time with your family and friends and see you refreshed for Term II.

Ms J Marshall
HEAD TEACHER CAPA
South has beaten Delroy 10-nil in the first round of the Bill Turner Trophy. Brianna Trappett and Charlotte Duffy were solid in the center playing some beautiful balls through to the forwards. Milla Ross and Ashlee Finch confidently held out Delroy in the backline resulting in South entering the second half up by seven goals. South continued to push forward in the second half, finishing off the game with a win of 10-nil. Special mention goes to Jorja Fuller scoring 5 goals, Matilda Irvine scoring 3 goals and Alex Couley and Brianna Trappett who also picked up a goal each.

Ms S Hockey
COORDINATOR

We knew it was going to be a close game with Cowra for the grandfinal. The whole game was neck and neck the entire game until the last 5 minute of the game where Cowra unfortunately got some good turnovers for their team and ended up coming out 5 on top. Outstanding defense from Hannah Mackie and Georgia Benton Bryant who had some top notch shooters to defend against, in particular one shooter who did not miss a shot! Great center court work from Tara Williamson, Jasmine Daley, Bella Astley, Ava Medley and Tash Janetzki, all working their hardest and putting pressure on Cowra to help move the ball towards our end! Our shooters Maddie Chapman and Jess Pengilley worked hard to keep the goals going in throughout the game. Incredible support from Maddie Fernando and Emma Blake who worked hard to keep the entire teams spirits up throughout the match. This is the furthest that the U15 netball team has ever gone so the girls should all be extremely proud of their solid efforts.
