As I look through the contents of the current newsletter I continue to be impressed at the large number of activities that our students participate in and the level to which they achieve. Congratulations to all the students who have attained outstanding results in academic, cultural and sporting fields. Half Yearly Examinations commence next week on the 3rd June and will continue through until the 10th of June. I encourage all students to work with staff to prepare effectively for these examinations which will be followed by half yearly written reports. On the 10th of June, Year 10 will have the opportunity to attend the Astley Cup Assembly at the Senior Campus. It is exciting that Year 10 are able to participate in Dubbo College Astley Cup Teams in the 2015 year. I would like to thank to the P&C, parents, staff and students who assisted with the fundraising BBQ at Aldi last weekend. A fundraising day was held last Friday ‘Beanies for Brain Cancer’ and it was a huge success. I would like to acknowledge that National Reconciliation Week commences with National Sorry Day on the 26th May and continues until Wednesday the 3rd June. National Sorry Day is an Australia wide observance held on the 26th May each year. This day gives people the chance to come together and to share the steps toward healing for the Stolen Generations, their families and communities. Reconciliation is about building better relationships between the wider Australian community and Aboriginal and Torres Strait Islander peoples for the benefit of all Australians. Enclosed in this newsletter you will find information regarding a survey relating to Dubbo College which I encourage all parents, caregivers and community members to complete. I look forward to the remainder of the term and continuing to work with our school community to improve outcomes for students.

Ms Linda Macleod  
Principal

Delroy Athletics Carnival 2015

On Tuesday May 5\textsuperscript{th} Delroy Campus held its athletics carnival at the new Barden Park. The excellent new facilities ensured a very enjoyable carnival with competitive track and field events highlighted by excellent participation and individual achievements. Three outstanding records were also broken during the day!!! Students who entered five or more events for the day entered the draw for the Sportsmans Warehouse major prize. Briganera were also the champion house for the carnival.

Congratulations to the following students who were age champions for the day:

- Boys 16 years – Dwane Knight
- Boys 15 years – Jeremy Stewart
- Boys 14 years – Aidan Lake
- Boys 13 years – Dane Charters
- Boys 12 years – Matt Morris
- Girls 16 years – Sarah Bridges
- Girls 15 years – Nicole Kelly
- Girls 14 years – Claudia Bruce
- Girls 13 years – Mirrikie Shaw and Alison Toohey
- Girls 12 years – Angel Brown

Major Prize winners were:
Five Event Major Sportsmans Warehouse Draw:
Dane Charters and Katrina Reeves

Best Dressed: Takoda Lee

Thank you to all teachers, students and sponsor Sportsmans Warehouse for their support during the day.

Wayne Dunlop
Carnival Organiser

RECORDS BROKEN!!!!

Congratulations to the following students who broke records on the day:

- 16 yrs Boys Dwane Knight -100m
- 15 yrs Boys Jordan Yeo – 1500m
- 13 yrs Girls Mirrikie Shaw – 400m

below: Athletics Carnival Organiser Mr Wayne Dunlop with some of the Athletics Age Champions: Matt Morris, Dane Charters, Jordan Yeo (Record Breaker), Sarah Bridges, Alison Toohey and Angel Brown
SCIENCE FACULTY....... 

Year 9 Modelling Ernest Rutherford’s Gold Foil Experiment
Models are used in science to help students understand, explain and predict phenomena. Modelling can be used to see large structures on a smaller scale such as the universe, explain how small particles such as atoms work or understand processes such as energy flow through the human body.

Year 9 are currently studying Matter and the Periodic Table. They have used a model to represent the work of early subatomic scientists including Ernest Rutherford. In the early 1900’s Ernest Rutherford discovered that atoms were mostly space with a solid nucleus. He conducted an experiment where he fired alpha particles at a thin layer of gold. He noticed that some of the particles bounced back but most went straight through showing him there was a lot of space. The Year 9 students used a hula hoop as an atom and a ping pong ball as the nucleus. They fired rice at the atom to demonstrate that most of the atom was empty space.

Mrs R Justice
Science Teacher

Thank you to
Dylan Parkes-Blanch Year 9 for taking the Gold Foil Experiment photos

Dubbo College Survey
Dubbo College are very keen to involve as many of our parents and community members as possible in our feedback processes. Currently, we are conducting a survey regarding re-defining the visual identity of Dubbo College.

The survey can be accessed:
- using the link https://www.surveymonkey.com/s/BF598KN
- Through the Dubbo College website
- Obtaining a copy of the survey from the school

We look forward to your participation in this online survey as your feedback is very important to us.
**Years 7 and 8 Netball**

On the 6th May Ms Sharon Edmunds and I took the Year 7 and 8 girls to play in the Parkes Schools Cup Netball Carnival. We had a fantastic day and the sportsmanship from our girls was incredible. We won 5 out of 7 games and in the end we just missed out on the going to the Regional Final in Orange by three goals. I was very proud of all of the girls and every game they took the advice of Coach Sharon and improved dramatically.

Players included **Krystal Dallinger, Aroha Taurau, Alison Toohey, Amara Adamson, Larrissa Toomey, Sheridan Munro, Chloe Goedee, Shirika Smith-Romans, Maddison Watson, and Jamarra Elemes**.

**Maree Pobje** from Year 9 came with us to umpire all of our games and did a fantastic job.

Well done everyone!

**Miss Jessica Jones**  
Netball Delroy Campus

---

**College Cross Country report**

Wednesday 13th May saw the running of the Annual Dubbo College Cross Country event at the Dubbo Racecourse. 18 competitors from Delroy Campus braved the chilly 12 degree temperatures to compete over the 4km grassy course. They were great ambassadors for the school and competed with great determination. In a great achievement Delroy Campus had four or the first five finishers in the overall race. Well done to all who took part.

The results are as follows:

- Dwane Knight 2nd overall - 1st in 16 yrs boys,
- Robert Freeman 3rd overall - 2nd in 16 yrs boys,
- Tim Gann 4th overall - 3rd 16 yrs boys,
- John Hill 5th overall - 1st 15 yrs boys, Max Toomey 6th 13 yrs boys,
- Alison Toohey 3rd 13 yrs girls, Mirrikie Shaw 4th 13 yrs girls,
- Anthony Charters 4th 13 yrs boys, Dane Charters 2nd 13 yrs boys,
- Tim Boney 2nd 15 yrs boys, Robert Betts 4th 15 yrs boys, Rex Harris,
- Ben Smit 6th 16 yrs boys

All competitors are now eligible to compete at the Western Region Cross Country to be held at Geurie on Wed 10th June. Notes should have been collected on the day.

**Mr Craig May**  
Head Teacher PDHPE Dubbo College Delroy Campus

---

**Delroy Sport Stars**

It is a very rare achievement for a junior campus student to be selected into an Open Western Area CHS sporting team that is generally made up of students in year 12. But Delroy Campus has had two achieve that in two different sports and they are both only 14 years old.

**Teegan Hall** a Year 9 student was selected in the Western Area Open Girls Soccer team that took part in the NSW CHS championships in Bathurst in early May. The team was very competitive in all its matches and Teegan was a strong contributor in all games she played. She has also been busy with Western Mariner and NSW U/15 Country girls’ soccer commitments throughout the term. Well done Teegan!

**Tim Boney** a Year 9 student was selected in the Western Area Boys Touch team after selection trials held at Orange recently. This team will take part in the NSW CHS championships to be held in Coffs Harbour between 16th and 18th June. Tim has also been a valuable member of the Open Boys Touch team who recently were crowned Western Area Champions after the finals day held in Orange. This team is now into the final 20 teams in the State-wide competition and will take on a Sydney West side in the coming weeks. Good luck to Tim and the rest of the Dubbo College Open Boys Touch team.

**Mr Craig May**  
Head Teacher PDHPE Dubbo College Delroy Campus
The TAS faculty had a very busy Term One, with students completing Technology Mandatory getting to work on some outstanding design projects.

Year 7 students completing Technology Mandatory-Metal, are currently working through the design process creating a variety of unique and creative projects such as metal tags and dustpans. Students are learning how to use a variety of equipment in the metal workshop, and are producing some excellent work.

Year 7 Technology Mandatory-Textiles student are busy completing either a shoulder bag, or a drawstring bag. These students have worked hard creating a unique logo for their bag, has been transferred to Vinyl using our brand new Silhouette Cameo Machine. Students are producing some outstanding bags that are sure to be noticed around Dubbo once completed.

Students in Year 8 are currently completing Wood and Food Technologies.

Students who are currently completing Wood, have done an excellent job designing and made speciality timber box. Whilst in Technology Mandatory-Food, students have developed their skills in the kitchen producing a variety of food items as well as designing their own Pizzas.

At the end of last Term 18 students had the opportunity to further their Textiles skills, by participating in a 2 day workshop run by Mrs Smith. Students made a Hoodie Jumper with an unique logo created by cutting Heat Transfer Vinyl on our new Silhouette Cameo Machine. The students who participated in this workshop did an outstanding job and developed some lifelong skills. They must be congratulated for the effort that they put in.

Coming up- Afternoon Textiles workshops where any interested student may participate. Wednesday 3.20-4.30. See Mrs Smith for more information.

Mr Martin and his Engineering class will be testing out their bridge designs during lunchtime under the COLA.

- Photo Booth
- Entertainment
- Games
DOMESTIC VIOLENCE IS NOT OKAY

Dubbo College Delroy Campus recently learnt about the reality of domestic violence in their community with former South Sydney Legend Nathan Merritt, Tackling Violence Educator Dixie Link Gordon and Northern Territory sports broadcaster and No More domestic violence campaigner, Charlie King. Classes from elective PDHPE took part in the opportunity that was very informative. The workshop focussed on identifying warning signs that a relationship may not be heading in the right direction.

In NSW, 19 of the top 20 Local Government areas for domestic violence assault are in regional communities. Of the 150 LGAs in NSW, Dubbo ranks 10th overall for domestic violence assaults.

According to Merritt, men have to take responsibility for the high rates of domestic violence across the country. “Two women a week are being killed by their current or former partners. It is really frightening. Men are responsible for the violence and as men we have to set the standard for women and children’s safety in our communities. I want to be part of the discussion here about domestic violence and I want to do all I can to help Westside set that standard.”

Tackling Violence is a NSW Government domestic violence education and prevention program. In 2015, 19 clubs across NSW have been sponsored to sign a code of conduct that penalises players for domestic violence offences. The 2014 media campaign featuring grassroots clubs, Tackling Violence Ambassadors and current NRL players can be viewed at http://www.dec.nsw.gov.au/about-us/key-people/communities/tackling-violence

Mr Craig May
Head Teacher PDHPE
Delroy Campus

Students from Year 10 PASS with former NRL star Nathan Merritt

LovE BiTES

♦ On Thursday 28th May, all Yr 10 students will attend a whole day program called “LOVE BITES” at school. The Love Bites program is delivered by Western NSW Local Health and deals with Domestic Violence, abuse and healthy relationships.

♦ Students will participate in various workshops run by Western NSW Local Health.

♦ Students will then sit their Term 2 assessment task on the following Monday/Tuesday where students will use knowledge they have gained in the Love Bites program to complete their assessment.

♦ If you have any questions or concerns, please feel free to contact Mrs Peta McAneney (Delroy Campus program coordinator) on 68827955 or the Love Bites coordinator for Western Health Krystal Pilon (Child Wellbeing Coordinator) Western NSW Local Health District Ph: 6841 2681 Mobile: 0457 100381.

Mobile Phones and electronic devices are NOT to be used in class. If they are used in class they will be confiscated by the teacher.

The phones will be stored at the office and may be collected by the student from one of the Deputy Principals.
CREATIVE CREW NEWS
Creative and Performing Arts (CAPA)

What’s happening:

• Art Club filling lunch with drawing and sculpture.
• Musicians are refining and developing skills in sectionals for Band.
• Eisteddfod preparations are building with excitement as the dates are looming.
• Many works being refined for assessment period from Week 6 onward.

Opportunities…

ART
Moran Art Prizes Competition (prestigious art awards).

• It invites entries of original works capturing Australians from all works of life, whether a
  public figure or someone from their own circle of experience.

PHOTOGRAPHY
• Invites entries that interpret ‘Contemporary Life in Australia’ with an emphasis on day-to-
  day life.
  Special awards are specifically for students and their schools so start working towards this
great opportunity!

DRAMA
• Staging Stories is a project to support Aboriginal people sharing their stories through playwriting and performance.
  (Workshop completed 16-17 May) The project continues on the 6-7 June focusing on performance, producing,
  directing and acting. 18-19 June there will be another student workshop on acting. Come and register your interest.

MUSIC
Dubbo City Eisteddfod

• The Vocal Group are busy preparing two contrasting pieces for Friday 29th of May (Week 6)
  competition.
• Dubbo College Band is also preparing solidly, practicing on Monday afternoons on two pieces. They will be
  performing on Thursday 11th June (Week 8), competing in two different sections; both the school and community
  divisions.
• Orana Arts are calling for bands and solo musicians to bring more gigs to Dubbo to support live music fans and
  musos. Keep an eye out for these upcoming gigs, or if you want to perform see Ms Bell for entry details.
• Dubbo College Combined Band rehearsals on Mondays at South, Vocal Group and Band are rehearsing during
  Interest Groups and Line 8.

OUTSTANDING Creative ARTS STUDENTS

Willow Coe-Kennedy - for consistent effort in all practical lessons
Milli Boland - mature attitude to set work
Luke Smith – excellent work ethic
Sheridan Munro - Consistent good work
Tyra Lee-Knight - Quiet and consistent worker
Isabelle Furney - Consistent hard work
Simone Dudgeon - Having a go at everything
Temika Tripplett - Great attitude toward Music
Nick Hangan - An improvement in his Music work
Yinara Woodcock - A positive attitude toward her work in Music
Phoebe Farrell - An excellent work ethic in Music elective

Using plasticine, vision impaired student Maxwell Smith re-created the spider simply by touch.
Fantastic Effort!
NEWS.....

Delroy Art Club:
Starting with scribbling, a gestural drawing is the first step in creating realistic images from life. The kids in Art Club – Drawing on Tuesday lunchtimes have been challenged with ignoring the detail to create an overall impression THEN adding the detail. I have been impressed with the great improvements in all who have been applying this technique.
The Monday Sculpture group have visited the Music rooms for inspiration and after speaking to Ms Bell are developing a number of sculptural forms to decorate the space to make the practical rooms more dynamic and engaging. They are constructing the forms with cardboard and they are building fast. It will get interesting as the colour is added in a couple of weeks.

From Mrs Livingston

Year 7 and Year 8 Artmaking

Year 7 have explored animals from land, sea and sky to develop their own Beast. Students have been busy drawing numerous designs before choosing a final design to re-create in 3D form using clay. Despite some being nervous of getting their hands dirty, most are now excited to be using clay as a new medium. They are learning the rules, tips and techniques of clay by having little demonstrations and use of the clay before beginning their beast.

Year 8 have been super busy taking part in many practical lessons with use of plaster, foil and clay. So far students have worked with foil based human sculptures which were wrapped in plaster and painted, as well as building on their knowledge and skills regarding clay. Students will begin creating a large sculptural work as part of their assessment mark for the term.

Mrs McConnell
Give this a go at home:
All you need is Tin Foil from the kitchen and adult supervision

CAREERS NEWS…….
Regional Development Australia Initiative

The Dubbo College Careers Team has been attending Work Inspiration Industry Visits with Students in Years 9 and 10 from South and Delroy. We have attended the Dubbo RSL, Quest Apartments, Regional EnviroScience.

The RSL employs approximately 205 people, there are many employment opportunities from swimming instructors, cleaners, hospitality managers, accounts and finance managers, events and functions coordinators to Human Resource managers etc. The RSL very generously give back to the community donating over $500,000 dollars to local Charities.

We had an excellent tour of the RSL Facilities including the Restaurant, Gym, Aquatic Centre, Motel, Events and Bistro. The main message from HR Manager Rebecca Zaia and Ros Davis was that if you work hard you can achieve great things and have rewarding careers. Most people who spoke to us at the RSL have been employed there over a number of years and worked their way to higher levels within the company.

Stephen Hornby, manager of Quest Apartments then talked us through his years in the Hospitality Industry and now his Manager’s role at the Quest Apartments. Quest employ people locally and we were shown the different configurations of rooms available and who their client base is. Steven gave us a great insight in to the opportunities available in the Hospitality Industry especially travel opportunities and the ability to gain employment across a wide variety of organisations.

Students form Delroy who attended the Hospitality Industry work visit and talk were Antonio Rojas, Ileen Delos Reyes, Molly Grouke, Samantha Costa, Ladine Caspersonn, Jahnesta Carriage, Mower Walshaw, Drew Baldock and Tyler Rankmore.

Our Visit to Regional EnviroScience allowed students to seek information on what members of the Australian Institute of Occupational Hygienists do and where to study Masters of Occupational Health, Health and Environmental Management. Regional EnviroScience employs 12 people and have been in Dubbo for 8 years they test mould, asbestos, dust, noise, microbial and vibration.

Crowe and Horwath originally started in Coonamble in the 1960’s the company offers Marketing, Accountancy, Cadetships and Business Advice and wealth management. They have 8 offices across the Central West and employ 75 people. They have top rankings in the world of Accountancy.

The message across all 4 employers was to:
- Work hard
- Take opportunities and risks
- Be part of a team
- Volunteer
- Represent your community
- Have transferable skills across all areas of employment eg: Communication, Technology, Planning and Organising.

SCHOOL POLICY ON STUDENTS WHO ARE UNWELL

When a student is unwell at school he/she:

◊ must obtain a note from the teacher and then present at the office, where a parent/carer will be contacted by the office staff to collect the student.

◊ Students are NOT to use their mobile phones to phone parent/carer directly.

For legal reasons and school policy students are NOT to leave the school without signing out at the office.

LEVELS SYSTEM

Do your Best, be Equipped ready for Learning, show Respect
and make the most of the Opportunities offered by Your School

DUBBO RSL CLUB
Brisbane Street
DUBBO
(Delroy Campus Newsletter Sponsor)

ATTENDANCE: NOTES for PARENTS and CARERS

Attendance every day that the school is open for instruction is a legal requirement and a major responsibility of parents/carers. Please send a note when your student has been away from school.

• Prosecution in the Local Court - If all attempts by schools and regional support staff fail to improve a student’s attendance, action can be taken in the Local Court and the result can be fines up to a maximum of $11,000.

A NOTE TO PARENTS/CARERS and STUDENTS

Tank tops/ singlets are not to be worn at school.

These tops are not part of the uniform and do not meet sun-safe requirements.
