Welcome back to the start of Term 2. I trust you all had an enjoyable break and that the students are ready to engage in their lessons and prepare for the upcoming Half-Yearly Examinations in Week 6. At the end of Week 1, Delroy Campus had the honour of hosting the Combined Schools ANZAC Day Ceremony, which was made even more significant given it was the Centenary Celebration.

Our students represented Delroy with pride and our School Captains, Sharika-Marrie Howard and Austin Heller, did an outstanding job in chairing the event. I would like to acknowledge the involvement of the Dubbo College Band and Vocal Groups and Mr Doug Gordon and his Yindamurra Dance Group for their contribution and also acknowledge all staff who assisted in the organisation of the ceremony. Particular mention needs to be made of Mr Leigh Rice our SRC Co-ordinator, who was responsible for co-ordinating the event and Ms Katie Bell for her efforts in assisting in preparing the musical items. The Combined Schools ANZAC Day Ceremony was followed by a service for all students and staff of Delroy Campus at the school, co-ordinated by Mrs Vicki Budden and the outstanding representation of Dubbo College students and staff in the annual Dubbo ANZAC parade on ANZAC day Saturday 25th April 2015.

By the time this newsletter is published, students will have participated in our Annual Athletics Carnival and thank you to Mr Wayne Dunlop for his organisation and commitment to this event.

Years 7 and 9 will participate in NAPLAN in Week 4.

I would like to congratulate students on their start to Term 2 and look forward to all the activities in the coming weeks.

We hope everyone has had a wonderful holiday after a very busy Term 1. Term 2 will prove to be even busier with students soon learning the ropes of clay and how it can be used to create mythical beasts (Year 7) and also clay masks (Year 8). It will be a messy term but a very rewarding one too. So far in the opening weeks, Year 7 have been busy researching animals of interest from the land, water and sky to help design their own mythical beast. Students are currently designing their Beasts in their Visual Arts Diaries ready to re-create these designs from 2D to 3D form using clay. It will be a whole lot of fun watching these Beasts’ come to form.

Year 8 have, and will be, using many different materials this term to create a variety of sculptures. So far students have had a play with a small amount of clay to produce a miniature head/face. This was just an eye opener into the many skills and techniques the students will be exposed to.

**A reminder to parents and visitors to the school:**

Visitors and parents are required to enter the school via the office where they are to sign in. If remaining in the building please obtain a visitor’s badge from the office.

What’s New?

Mrs McConnell is back from maternity leave.

Art Club has started again with Mrs Livingston taking on a team of students who will create some creative masterpieces to be displayed around the school. Monday, Tuesday lunch times and Friday mornings at 8.00am. Collect a note from the notice board outside the Art staffroom.

Interest Groups have started on Tuesdays period 4. There is a very large and eager team of art students who will challenge their drawing skills throughout the term. Be sure to watch this space.

Blurb from Mrs McConnell -
It is great to be back! I have had a busy few weeks settling myself back into the school and meeting so many new faces. I am very excited to see my students create such unique artworks throughout the year. I will be sure to add pictures of students’ work into each newsletter to show the community what amazing works our students are capable of producing. It is set to be a busy term!

**MATHEMATICS FACULTY ..........**

Welcome back to Term 2. This term promises to be a very busy term in the Mathematics Faculty. All students are busy preparing for their Half Yearly Examinations in Week 7 and Week 8, while Year 7 and Year 9 students are also preparing for their upcoming NAPLAN Assessments in Week 4.

In order to prepare for their Half Yearly Examinations in Mathematics, all students should refer to their Term 2 Assessment Booklet and ask their teacher if they have any questions. All students will need to bring their own Scientific Calculator. These calculators are available for purchase for a cost of $22 from the school office.

If you have any questions about the upcoming term please don't hesitate to contact the Mathematics faculty.

**YEAR 10 PDHPE**

**RescuEd Program**

On Thursday 19th March, the local Fire and Rescue NSW and Local Police came to Delroy to deliver the RescuEd Program. Students listened to the local firefighters and local police regarding issues with driving, including causes of accidents, consequences of accidents and how car accidents impact our society. The talk was then followed by a demonstration of how the firefighters open a car (that had previously been in an accident) using hydraulic equipment to rescue the victims of an accident. The knowledge gained from RescuEd was then used in their Road Safety assessment task. Students were very engaged and gained knowledge which was demonstrated in their PDHPE assessment task.

**YEAR 10 PDHPE**

Terms 2 and 3 PDHPE units have been switched around. We will now be doing “Power and Relationships” in Term 2 and “Choices” in Term 3. This will also be reflected in assessment tasks. Term 2 assessment task will take on the same format but will be based on the “Power and Relationships” unit. The assessment task will be in Week 6 Term 2 (this has not changed).
YEAR 7 SPORT

Year 7 are enjoying and demonstrating excellent participation levels in sport this year. As well as developing skill level, the students are engaging in house competition on a weekly basis with the champion house at the end of Term 4 to receive an activities day as a reward for their efforts. Sports and modules studied this year have included; basketball, soccer, netball. Currently students are engaged in striking games.

Congratulations to Dakota Lacrosse and Callum Dowling who were voted Good Sports of the term as voted by their teachers.

Current house scores are as follows:

**BRIGANERA**
**PARAYONG**
**YARRADAROO**
**MACOOLARI**

Term 2 Yr 7-10 PDHPE Core Subject Assessments

In Term 2 PDHPE will be completing their assessment tasks in the middle of the term. It is important all students are present for them and if for some reason they are away a note explaining this absence needs to be handed in to the front office or PDHPE teacher.

**Year 7** - Students will use their ICT skills to develop a Growth and Development collage of their individual lives and then analyse factors that impact on their individual growth and development.
This will be done in class theory lesson in Week 5 Term 2.

**Year 8** - Students will be given several situations where they have to identify risks involved, how risks can be minimised and propose some strategies to enhance their well being.
This will be done in class theory lessons in Week 4 Term 2.

**Year 9** - Students will be researching the STI, Chlamydia. This will involve finding out and identifying factors about Chlamydia and then creating an awareness campaign to lessen the prevalence of the illness in society. They will be using ICT skills to do this.
This will be done in Week 5 Term 2.

**Year 10** - On Thursday 28/5/15 students in Year 10 will be involved in a presentation called “Love Bites” from the guest speakers from the Department Of Health. From this presentation students will identify issues on assault and domestic violence. They will then be responsible for creating promotional material on how to lessen incidence of domestic violence and assault in our society.
This will be done in Week 6 Term 2.

If parents have any questions about any of the tasks please don’t hesitate to contact me at Dubbo College Delroy Campus.

Music News!

Forte! – Let’s Get Loud
Delroy Campus performed in Forte – Let’s Get Loud. It was a concert that featured each campus of Dubbo College and some Dubbo primary schools.
Delroy performed an Aboriginal Dance, a Circus act as well as a musical piece ‘My Island Home’. The performances featured the Elective Music class, the Aboriginal Dance Group, the Circus Elective, as well as the Vocal Group. Students represented Delroy CAPA superbly. Well done to all students involved. A special thank you to Miss Jessica Jones, Mr Doug Gordon and Mr Paul Woodhead.

Combined Schools ANZAC Ceremony

Dubbo College Combined Band and Vocal Group helped commemorate the 100 years ANZAC Centenary.

The students performed the hymns ‘Abide with Me’, ‘Amazing Grace’ as well as the National Anthem at a very high standard.

Well done to all students involved.

Want to learn an instrument? Sectionals are during lunch (break 2) on Mondays and Wednesdays. Make sure you’re checking the Daily Notices for times. You only get better if you practice!

- Instruments are available to borrow!

Why learn an instrument?

Moorambilla A huge congratulations to David Woods Year 8 for gaining acceptance into the first round Moorambilla Voices Program. Since 2006 Artistic Director Michelle Leonard has delivered workshops to over 15000 students in the North West of NSW. David will be performing with other students in the North West of NSW. David will also be performing with other students at a series of locations through camp workshops. Well done!

Dubbo College Combined Band: Rehearsals take place at South Campus on Mondays from 3.30pm to 5.00pm. A maxi taxi is organised to take students across to South. Remember to bring in your note. If you’re interested in joining, you need to see Ms Bell.

Year 7 Music students are learning about pitch in Music. All students are required to bring a Recorder to class. If students do not have a recorder they can purchase one through the Delroy Campus front office for $5.00

Vocal Group has started with Miss Jones during interest group. We are currently working toward the Eisteddfod.

Delroy Band occurs during Line 8 (interest groups) with Ms Bell.

For all information see Ms Bell for more details.
Parents and Guardians,

Twelve student participants in the Delroy Duke of Edinburgh Award program have been offered the opportunity to take part in a trek on the Kokoda Track. These students, with three staff, will be traveling to Papua New Guinea in July to complete the 96km track and have already completed three weeks of physical training in preparation for this experience.

In a great show of community support for the Duke of Edinburgh program at Delroy, the Dubbo BCF store have arranged for the students to purchase a large part of their gear with a substantial discount. This not only means that they can do the trek with higher quality gear, but they can also put money saved toward their personal needs on the trip.

On behalf of the students and staff in the Duke of Edinburgh Award program at Delroy Campus, and especially those travelling on the Kokoda Track, I offer many thanks to Shane and his staff, and to BCF generally for their support.

Mr Paul Woodhead  
Trek Leader for Delroy
