I would like to begin my report for this newsletter by congratulating all students on their efforts during our recent Half Yearly examinations. The application and effort by all students was outstanding and I look forward to seeing the results of these efforts. Staff are currently preparing Semester 1 Reports and these will be issued to parents by mail at the end of this term.

Miss Kathryn Bermingham Deputy Principal Delroy Campus was invited to Darwin to discuss her experience with the Aboriginal Girls Circle Program, which has been running with great success at the College since 2010. Miss Bermingham was part of a contingent including Madelene McGrath from NAPCAN, Dr Sue Roffey who developed the concept and Brenda Dobia from the University of Western Sydney who evaluated the program. The group made a presentation to government officials last Wednesday. See Miss Bermingham’s report on Page 3.

We have many students representing us at District Cross Country and our support unit participated in an AFL carnival last week. Year 10 had the opportunity to attend the Astley Cup Assembly at the Senior Campus and we look forward to some of our students participating in and supporting this annual event in the upcoming weeks.

I would like to thank staff, students, parents and community members for their contribution and efforts during Semester 1 and wish everyone an enjoyable and safe holiday break.

The Delroy Campus Vocal Group were successful in receiving FIRST PLACE in the Eisteddfod section ‘Vocal-Small Section’. They represented Delroy superbly performing two pieces: ‘My Island Home’ by Christina Anu and ‘The Chain’ by Ingrid Michaelson. They received great marks and encouraging feedback, 92/100 and 94/100. Miss Jessica Jones and Ms Katie Bell-Lange are extremely proud of the girls. Keep up the great work!

Term 2 has been a busy term for Clontarf. In Week 4 Year 10 were given the opportunity to go to Sydney and meet one of our partners, Fox Sports.
Delroy’s Mirrikie breaks 31-year-old 400m record

A 31-year-old school record for the 400 metres has been broken at this year’s Dubbo College Delroy Campus Athletics carnival, and the original record-holder could not be happier.

Former Delroy High School student athlete Colleen Bragg set the record of 1:15:00 in her Year 7 athletics carnival in 1984, not realising at the time the record would remain hers for the next 31 years.

The Moree-based PDHPE teacher, 43, was overcome with emotion when she heard the news and passed on her best wishes to the new record-holder, 12-year-old Mirrikie Shaw, who set a new time of 1:13:38.

“When I was at Delroy I had to work really hard to beat the Aboriginal girls because they were so naturally talented, so I am not surprised that Mirrikie is Aboriginal and has broken the record,” she said.

“I was a really keen runner and I used to really look forward to the athletics carnival, which was always held at Victoria Park number one oval”, Colleen said.

“I would always run in bare feet on the grass track and I took part in every running event from the 100 metres to the 1,500, and in every throwing and jumping event from Year 7 to Year 12.

“I was very competitive in those days.

“We lived out of town on the Narromine Road and running and cycling were my favourite pastimes, but I also played basketball and netball.”

Colleen who married her partner Alfred Priestley, a Gomeroi Aboriginal man from Moree, three years ago, now has two young sons who also excel in athletics.

“My seven-year-old is very fast and always likes me to compete with him in the parents’ race at the sports carnival,” she said, “while my six-year-old is more talented in gymnastics.”

For current Delroy Campus student Mirrikie, breaking the record set three decades ago brought a gentle smile to her face. The youngest child of six, including five older brothers, doesn’t practice a great deal and has a natural running ability.

“I haven’t tried the 1,500 but I do compete in everything from the 100 metres to the 800, she said.

“I always wear joggers when I run and I would say the new track at the Barden Park facility has helped me pick up a bit of speed.

“I also play netball, basketball and touch football and I come from a very sports-oriented family. My older brothers are all involved in sport, my mum was a swimmer and horse-rider and my dad was good at athletics and rugby league.”

Mirrikie has received a scholarship to boarding school in Sydney next year where she plans to continue her sporting endeavours.

Colleen said she wished Mirrikie good luck for the future and urged her not to give up on her athletics.
**DAVID WOODS selected for MOORAMBILLA**

Dubbo College Delroy Campus heavy metal fan, 14-year-old David Woods, will join a throng of voices making up this year’s Moorambilla Outback Choir. Together with his brother Johnathan, 12 years, and sister 10-year-old Jessica, both students at North Dubbo primary school, David successfully auditioned for Moorambilla last term.

As part of the choir, David will join up to 200 students from rural areas of the State to access quality and often life-changing opportunities not usually available in regional areas.

The Moorambilla program, the brain-child of former Coonamble resident Michelle Leonard, has been operating now for 10 years and encompasses 30 regional towns and more than 55 schools. As many as 12,000 students have taken part in the program, including talented Dubbo College students Nathan Bryon, who is now spending time at the Washington State Opera, and soprano Billie Palin.

David and his brother and sister will attend special camps including individual girls’ and boys’ residency camps in August, as well as a week of residency in Baradine in September, culminating in a Proms Concerts at the Baradine Memorial Hall and a gala concert at the Dubbo Theatre on September 19. David is very excited about the opportunity and looking forward to meeting other students interested in music. “My mum, Elizabeth, sings a lot at home so I suppose we have all picked it up from her,” he said. “As well as singing, I also play the trumpet and piano at school, but I really like heavy metal bands like Metallica.”

Delroy Campus music teacher Katie Bell-Lange said students like David and his siblings require a strong sense of rhythm to participate in the program. “Access to Moorambilla is based on musical ability so to be involved students need to have raw talent,” she said. “We are really proud of David’s achievement and he will now have amazing opportunities to develop his talent by working with top class composers and musicians.”

**FROM DUBBO TO DARWIN**

I had the privilege to represent Dubbo College at a meeting with representatives of the Northern Territory Government to inform them about the Aboriginal Girls Circle that Delroy Campus has been running for the last 6 years. Twenty representatives from various areas of Government heard from Dr Sue Roffey, the instigator of the program, Dr Brenda Dobia, head of the research team that evaluated the pilot of the Aboriginal Girls Circle program in Dubbo, Madelene McGrath, representing NAPCAN, the organisation that supported the implementation of the program at Delroy and myself, the coordinator of the program in the school.

Many questions were asked of us and answered thoroughly with positive feedback about how successful the program seemed to be. The timeframe for our presentation was from 10.am until 11.30am on Wednesday 10th June, however, 12.20pm saw the wrapping up of the conversations. Overall a very positive experience and we look forward to the Northern Territory implementing the Aboriginal Girls Circle across their communities.

In addition to being part of a successful presentation, I also had the privilege of meeting Evonne Goolagong Cawley at the Qantas Lounge in the Darwin airport. As a tennis player this was an absolute thrill.

CREATIVE CREW NEWS
Creative and Performing Arts (CAPA)

What’s happening:
- Year 7 and Year 8 visual art classes busy making clay sculptures
- Art club on Monday and Tuesday lunch times – all welcome
- Music sectionals on Monday & Wednesday lunch time

Opportunities…

COMMUNITY OPPORTUNITIES
Micro-Funding event at the Fire Station Arts Centre
Come And see a live crowd-funding event being launched on 25 June. See how it works:
- The audience pays $15
- 4 creative ideas are pitched
- Over a shared dinner (soup) the ideas are discussed and the audience votes
The idea with the most votes walks away with the value of the ticket sales.

ART
Macquarie Regional Library: Comics Craft
- The Macquarie Regional Library is hosting 2 days of workshops full of comics fun in Dubbo and Narromine branches on 10 and 11 July 2015.
  From drawing chibi and monsters for children, to getting started in the industry.
  There is something for everyone from beginner to advanced skill levels.

Moran Art Prizes Competition (prestigious art awards).
- Portrait – come and see the Creative Arts teachers if you are interested.

PHOTOGRAPHY
- Invites entries that interpret ‘Contemporary Life in Australia’ with an emphasis on day-to-day life.
  Special awards are specifically for students and their schools so start working towards this great opportunity!

DRAMA
The best of the Central West Short Plays 2015 coming to DUBBO
- Central West Short Play Festival has created a Showcase season to tour the region. Specifically selected plays have been further developed and crafted to produce a fantastic night of fun, laughter and drama.
- Friday 31st July at the Dubbo Regional Theatre and Convention Centre
  Tickets: $15-$25 available from the DRTCC Website now.

Extra's wanted for local film production 'The Station'
- Paroo Productions are putting the call out for extras to be a part of a major scene at the Dubbo Railway Station on August 1. It is hoped that there will be enough people dressed in 1940's costume to fill the platform!
  For more information please contact Sally Hopkins on:
  Phone: 0458 004 213
  Email: sally@parooproductions.com

MUSIC
- Orana Arts are calling for bands and solo musicians to bring more gigs to Dubbo to support live music fans and musos. Keep an eye out for these upcoming gigs, or if you want to perform see Ms Bell for entry details.
- Dubbo College Combined Band rehearsals on Mondays at South Vocal Group and Band are rehearsing during Interest Groups and Line 8.
Maddison Watson - Doing more than is required
Lara Board – For the making of an impressive instrument
Simon Ramirez – For the making of an inspiring instrument
Teneal Rankmore – For doing her best
Larissa Toomey – A superb performance
David Woods – Great leadership and performance
Tanisha Tago – Promising Listening results in Elective Music
Dakota Lacrosse – Great enthusiasm and persistence toward the making of her mythical beast
Krystal Dallinger – continually working hard in all practical elements in art
Maxwell Smith – showing great enthusiasm toward the creation of his mythical beast

Delroy Art Club:
Walking amongst the trees in the car park today the Art Club Drawing students collected the first of their inspirations for a larger work. We took the leaf litter back to the room to draw and the students took their time rendering the details. These will lead to the making of lino prints and combining their works into a larger composition. The sculptures being created on Mondays are taking shape, taking up a lot more room. Soon there will be colour and details, it is very exciting. I have been measuring the space in the Music room where some of the works will be finding their home.

Music News...
Year 7 Instrument Making
- Year 7 have been busy making home-made instruments using all different kinds of materials. Some students had help from Mr Martin in TAS or from parents/carers. They were marked based on their initial ideas, the sounds quality and how they made it. Students then had to perform/demonstrate their instrument.

HOME STAY A CHINESE STUDENT FOR A UNIQUE CULTURAL EXPERIENCE
Is your family able to open their hearts and their home to one of four boys or a girl aged 14 from Dubbo’s Chinese sister city Wujiang who will be visiting our city from 22 July 2015 for four nights (departing at 4.20pm Sunday 26th July). The student exchange is run by Dubbo City Council who takes care of all the arrangements including a one day tour and placement at school for the visiting students. Activities organised for all participating families include ten pin bowls night; dinner and activities at Old Dubbo Goal and visit to Wellington Caves.

It’s a wonderfully fulfilling experience to billet one of these delightful young students and to show them a little of our fantastic Aussie lifestyle. Don’t miss out on this unique cultural exchange opportunity for your family, contact the Sister City Officer, Kylie Sutherland on 6801 4000 or email on: kylie.sutherland@dubbo.nsw.gov.au to find out more information and register your interest.

**Year 7 and Year 8 Artmaking**

**Year 7** – Most, if not all students have begun using clay to build their mythical beast they have designed in their visual arts diary. Some students may wish to bring gloves in if they are not happy with getting their hands dirty using the clay. Students may also wish to bring in an old oversized t-shirt or apron to help avoid dirtying their uniforms.

**Year 8** – Students have been busy designing a sculptural piece that signifies the human form and an ‘issue’ that is relevant to themselves and the world. Some issues students have chosen to express include war, gender, drug use and science. Students are now busy sculpting their design using clay and/or plaster.

**Drawing Class (Interest Group)** – We have been exploring the art of sketching. We had a few students model in the centre of the classroom for 10 minutes at a time whilst the remainder of the class quickly sketched their position. There is a great deal of talent in this class, I am eager to see what their capabilities truly are.

Year 9/10 Industrial Technology Engineering Elective

It has been very rewarding watching both the Year 9 and Year 10 Engineering students design and construct a bridge that will be put ‘under the pump’ when weights are added to see just how much weight their bridge can bare. Students have been working in small teams of 3 or 4 to construct their bridges in the practical rooms. The students will be publicly testing the weight bearing of their bridges to their fellow colleagues during a Friday recess. The bridge which withstands the greatest weight will win a small prize for their efforts.

Once this assessment has been completed, students will begin working on designing and building an F1 race car using Balsa Wood. It is part of a state wide competition held every year where school groups compete for the fastest F1 race car design. We have already begun researching and had a quick play with some plasticine on making a F1 race car and constructing our very own race track.

We look forward to seeing what these students can create.

**Country Cup League Report**
Delroy Campus recently competed in the Country Cup divisional day held in Dubbo in the U/13 and U15 division. A big thanks to Mr Wade (U/15) and Mr Boon (U/13) for taking the teams on the day.
Both teams were great ambassadors for the school, displaying good sportsmanship and doing their best in all games played.
In the U/13’s the team started the day with a strong 10-4 win over Mudgee High. In the next game the team were defeated by Wellington High 14-0. In their final game of the day the team went down to St Johns College 26-10. Throughout the day Callum Dowling was the standout for the team tackling everything that moved and setting up our attack into numerous try scoring opportunities. Prop Billy Bateup and Captain Quincy Ross also played strongly on the day.
In the under 15’s the team played matches against Wellington High and Narromine High. In both matches the team had some great passages of play, particularly in attack. Randall Dowling and Tim Boney were the stand outs for the team on the day. While “pint sized” Harry Ritchie was a crowd favourite with his fearless play.

**College Sport-Girls Hockey**
Dubbo College has had a very strong year in Western Area Hockey with the team finishing as Western area runners up. Delroy was well represented in the team with Kenzie Macfarlane (Year 7), Chloe Goodee (Year 8), Maddi Cafe (Year 9) and Lilli Campbell (Year 8) all important members of the team. Kenzie was a leading striker, Chloe a speedy winger, Maddi a solid defender and Lilli the all important goalkeeper. Earlier in the year Lilli was selected as a shadow player for the open Western Area Girls representative team. After having a bye, defeating Gilgandra High and Wellington High the team took on Orange High in the final. The Orange High was a very talented team with several state representatives. Unfortunately Orange High despite the best efforts of Dubbo College won the game 5-1 to progress to the state finals.
All girls were commended on their sportsmanship and the way they represented Dubbo College by coach Alice Maher (South Campus). Given the girls’ ages we look forward to their continued success in hockey for Dubbo College.

Mobile Phones and electronic devices are **NOT** to be used in class. If they are used in class they will be confiscated by the teacher.

The phones will be stored at the office and may be collected by the student from one of the Deputy Principals at the end of the day.
On Thursday 28th May, Year 10 attended the program LOVE BITES. This program is based around domestic violence and assault. Students participated in classroom workshops until lunch facilitated by NSW health, Child health, NSW Domestic Violence, and NSW Police. Students were very engaged in the activities which made them more aware of domestic violence issues within the community and where help is available.

The afternoon session involved practical sessions of mosaic art, painting, gym activities and traditional Aboriginal games. Students choose an activity that they would use for relaxation time after stressful events occurred. All students filled out an evaluation and all students stated they found the sessions interesting and engaging. They gained a better understanding of all issues and gained excellent resources if they (or friends) ever need advice or help. A very big thank you to Krystal Pilon from NSW Health for the time and effort she gave Delroy for running the course. It was very much appreciated by all staff and students.

College sport report term 2 2015

Term 2 continues to be a very busy sporting time. A number of sporting competitions have reached their completion for Dubbo College teams whilst others are awaiting their next play by date.

Results for our CHS (Combined High School) competitions to date are as follows;

Girls basketball were Western Area A winners, who progressed to the preliminary State round, but were unsuccessful in making the final 16 in the state.

Boys basketball were also Western Area A winners. They played their final 16 state game against Maitland on Thursday 4th June

Boys cricket are awaiting their round two clash against Nyngan. This match will be played in term 4.

Girls cricket were defeated in round 1 by Wellington High school.

Boys' football (soccer) has advanced to the semi-final round of the Western Region draw and played Broken Hill on the 5th June in Broken Hill.

Girls’ football (soccer) just missed out on a semi-final spot in Western Region after being defeated by Canowindra in a round three match.

Boys' hockey placed 6th in the Western Region.

Girls’ hockey played third round of the western competition and played Orange High on the 5th June.

The lawn bowls team have completed their competition for this year, however, Jessica Ball still continues with the singles event.

Girls’ netball (Senior Campus) won the Western region, breaking a 20 year winning streak from Orange High. The girls will now play in the final 16 in the state at Berkeley (Wollongong) in Term 3.

Boys’ rugby league played Forbes in the Western Area B final on Wed 3rd June.

Boys rugby union played in a gala day on Thursday 4th June.

Girls’ tennis was defeated by Dunedoo in a third round match.

Boys and girls’ squash were defeated in round two of the Western competition.

Boys’ touch were Western Area B winners, they will play Sydney East in Week 10 (23rd June) in the preliminary round before the final 16 matches.

Boys touch were Western Area semi finalists

The Dubbo College Cross Country team will compete at the Western Carnival in Geurie on the 10th June. The competitors include:

**Astley Cup continued from page 12…..**

**For the Orange round:** Friday 19th is the spectator day to be held at Orange. Non-competitors can choose to watch this day at a cost of $20 (for the bus) - at this stage it is Senior Campus students only.

**For the Dubbo round:** Thursday 25th June is the spectator day in which Senior Campus students will watch the scheduled events.

Another upcoming competition is the Ken Eggleton Cup. This is a sporting competition held between Dubbo College Years 10 - 12 and St Johns College. This is an after school event that will be held over three afternoons in Term 3 - Weeks 1, 2 and 3. The sports include: boys and girls’ tennis, boys and girls’ soccer, boys’ rugby league, boys’ basketball, girls’ netball, girls’ volleyball and mixed touch. A program of events will be made available when all dates are confirmed.

SCHOOL POLICY ON STUDENTS WHO ARE UNWELL

When a student is unwell at school he/she:

◊ must obtain a note from the teacher and then present at the office, where a parent/carer will be contacted by the office staff to collect the student.

◊ Students are NOT to use their mobile phones to phone parent/carer directly.

For legal reasons and school policy students are NOT to leave the school without signing out at the office.

ATTENDANCE: NOTES for PARENTS and CARERS

Attendance every day that the school is open for instruction is a legal requirement and a major responsibility of parents/carers. Please send a note when your student has been away from school.

- Prosecution in the Local Court - If all attempts by schools and regional support staff fail to improve a student’s attendance, action can be taken in the Local Court and the result can be fines up to a maximum of $11,000.

A NOTE TO PARENTS/CARERS and STUDENTS

Tank tops/ singlets are not to be worn at school.

These tops are not part of the uniform and do not meet sun-safe requirements.
