From the Principal...

Welcome to 2016 at Delroy! It is shaping up for a great year! We have all our staffing in place and we welcome a wonderful group of new Year 7 students and a special warm welcome to students and their families who are new to Dubbo or the College. We will welcome Year 7 and new enrolments, students and parents, this evening, Wednesday 10th February, at 6.30pm.

We began the term on Wednesday 27th January with a staff development day. The morning was a combined college session focusing on the use of feedback to improve learning outcomes. In the afternoon all staff were taken through the Department’s Code of Conduct, then time was devoted to faculty meetings and planning for 2016. New staff undertook an induction program with Ms Smith and Mrs Budden. On Thursday we welcomed Year 7 who seamlessly transitioned into the school. I recognise the huge effort of Miss Bermingham and our staff who ran the transition program last year, it has certainly paid off.

Students in Years 8 to 10 began on Friday and is was so fabulous to see everyone in school uniform! This is the expectation everyday. Wearing school uniform is an important part of the Delroy community and there is no reason why students cannot wear school uniform every day. If you have financial difficulties which prevents you from purchasing uniforms please contact the school and speak with the deputys. Centrelink also assist with education costs in the form of the Schoolkids Bonus.

All year groups this year will be participating in year excursions which their Year Advisers are busily planning. As soon as that is finalised, information sheets and costs will be provided to the students. All students are expected to participate in these activities as they help build self-confidence, resilience, self-esteem, as well as cooperation and collaboration which are very important life and work skills as well, of course, being a lot of fun! It is a sensible idea to pay the costs of these excursions on payment a plan with the school. The SRC will be organising fundraising events to help offset these costs.
We have a number of new staff joining us as well as some familiar staff in new temporary positions. These are:

Miss Rebecca Brown – English permanent
Miss Elizabeth Feeney – HSIE permanent
Mr Tim McNee – Maths
Mr Daniel Holland – Support
Mr Tony Dawson – CAPA
Miss Lara Field – HSIE
Miss Holly Cronk – Support
Mr Ben Patterson – Support
Mrs Sheree Jones – returning to Support in Week 6
Mr Andrew Cook – Temporary relief scheme
Mr Quinton Single – Temporary relief scheme
Miss Esther Mines – Student support officer on Monday and Tuesday
Ms Michelle Blake – 6-7 Transition on Monday and Tuesday

At the “Welcome” assembly last Friday I spoke of the importance of our students developing a strong value system that will enable them to make ethical decisions to allow them to take their place in the world as someone who will make a positive contribution to their community, make good choices and will display empathy for others. It is important we learn to care deeply about others. I showed a superb ad from the UOB bank which is titled “Our values define us”. The message was:

HONESTY is not encoded in our genes
RESPECT is not written in our DNA
You won’t find PERSEVERANCE reproducing in the body, like cells
LOYALTY hiding in your bloodstream
It doesn’t matter how we begin,
In the end our values define us….

I also spoke about the Australian of the Year for 2016 Lieutenant-General David Morrison and referred to his 2013 speech to the Australian Army. The message he gave applies also to our school. That is; we are an INCLUSIVE organisation. We strive always to reach our POTENTIAL and allow others to do so. We do not DEMEAN or EXPLOIT others and we do not tolerate BULLYING. I encourage you to have a look at that speech on YouTube.

During first semester the school will be undergoing a little “sprucing up” with new blinds, carpet and painting in some areas. This follows the installation of watering system in the front of the school which occurred in the school holidays. Currently the hall floor is being sanded and re-lacquered with new line marking. It is very exciting and pleasing indeed!

Delroy is full of OPPORTUNITY for students, so I urge all students to take advantage of this. Get fully involved in school life and have an awesome 2016!

FROM THE DEPUTY’S DESK

Welcome back to 2016. I hope everyone had a great holiday and are well rested to start another busy year. Just some information you may need to remember:

♦ Mr Braithwaite is Deputy Principal of Years 7 and 9 and Miss Bermingham is Deputy Principal of Years 8 and 10.
♦ Don’t forget to be prepared for the swimming carnival which will be on Tuesday 23rd February.
♦ Please remember to bring a note to school if you have been away.
♦ Keep remembering what DELROY stands for so you can collect your tickets for Bronze, Silver and Gold levels.

Most importantly do the best that you can do in all areas of your school life. Have a great term.

Miss Kathryn Bermingham Deputy Principal

iTrack Career mentoring program run by the Smith Family that supports students who are beginning the post school plans. This program will be running again this year in Terms 2 and 3 on Fridays. Students are asked to contact me in the library if they are interested. This program will target Year 9 and 10 students.

Year 10 this term will make the Get Real Pledge. The signing of the pledge board ceremony will be held on 16th March at the Senior campus: The pledge is as follows:

I willingly commit myself to participate in the Get Real Program and undertake that by my 17th birthday, I will:
- Be in full-time education in school or TAFE
- Be undertaking industry training or
- Be in full-time employment

Work experience is also available for Year 10’s who have completed the work readiness program last year. Year 10 students who needs to complete this are to see me.

Quirky jobs that will exist by 2030

We look at predictions made by foresight experts like New York-based firm, sparks & honey and research gathered by the Canadian Scholarship Trust (CST) to see what jobs will exist in 2030.

This year alone, the global market for 3D printers is expected to grow by 56 per cent, putting its worth at US$5.2 billion. And by 2019, forecast experts Canalys are predicting the market will quadruple in value to US$20.2 billion. Canalys research analyst Joe Kempton notes that over the coming years ‘3D printers will continue to fall in price and improve in speed and quality,’ making it easier for individual consumers to use this new technology.

It seems that by 2030, it’s quite possible 3D printers will become as commonplace as the dishwasher or toaster in some homes, so it makes sense that we’ll need an army of technicians to both fix our 3D printers, and also help us to maximise their usage.

Imagine, for instance, the kitchen sink’s broken. Rather than ordering the necessary spare part, a 3D printer handyman can print the part right there and then, and fix up that leaky tap of yours!

Skills you’ll need for this job:
- 3D printing (knowledge of both hardware and software)
- Industrial design

Visual Art

There is the possibility of Art Club running two days a week (Tuesday and Wednesday) during breaks if students are interested in taking part. It would be a structured Club where we will have specific artworks to complete around the school. If you are interested in this, please see Mrs McConnell to express your interest. If we get good numbers, then it will go ahead.

Also, stay tuned for the next newsletter as it will be action-packed with loads of photographs of students’ work and progress. This is our aim to publish our junior artists in the classrooms, let their work be seen. We also encourage students to bring work in that they have competed at home for us to view and encourage more. We always like to see what you like to draw/paint in your own time. Plus it gives us an idea of your abilities.

Drama

How exciting, we have a Drama elective! We have a lot of excitement for this subject as it allows us to view your individual personalities and emotions through expression. We have big plans for all you Drama students. Stay tuned everybody! And don’t forget, we have the Onstage excursion to Sydney this week – on the 9th to the 11th of February. Anyone who has outstanding payments are to make sure they are completed and ready to go.

Circus

We have a new member of staff teaching and assisting students in their endeavour to accomplish their levels this year and that is Miss Doorey. Welcome Miss! No doubt the students will do an amazing job learning new skills to perform for the school and even in the community.

Also remember the following:
After school Circus – starting next week, 4pm at Delroy hall for students in years 5-12. The cost is $2 per week or $20 for the term. See you there!

ACTIVITY

Here are a few examples of street artist Banksy and his political and humorous works. Look him up, google him….see what you think about his artist practice and see if you can understand what he is portraying to the public.

- What do you think about these works?
- Do you find his works to be humorous?
- Would you consider this as a form of Graffiti or street art?
- Can you recognise any of these from a famous movie and popular television show?
It was such a pleasure to catch up with teachers from Delroy’s past. Some former Delroy High School students might remember, from left: Mr Bob Wilson HSIE and then Deputy Principal, Mr Bill Donnison HSIE and Head Teacher HSIE, Mr Jim Carey Head Teacher Mathematics, Mrs Julie Wilson English and Mr Phil Priest Careers.

They are now members of a committee putting together the Delroy section of a book to be published next year for the Centenary of secondary education in Dubbo. They are doing the 1980s and 1990s.

Celebrations will be from 21st to 24th April 2017.

Science News:
Welcome to year 7! You will be starting off the year by analysing a crime scene to try to solve the murder of Alex Smith (see pictures below). You will be learning about scientific procedures, risk assessments and how to draw scientific conclusions from observations. Work hard and pay attention!
Welcome back to all our previous Science students. A couple of things to think about:
A lot of students find it helpful to have a calendar at home where they can write up all their assessments for the term. You need to bring your Science workbook, pens, pencils and a ruler to class every day.
A glue-stick, highlighters, coloured pencils and a calculator will also be useful from time to time.
Thanks,
Maurice Elbourne-Binns
Head Teacher of Science

Year 8-10 Weekly Sport
It is compulsory for all students at Delroy Campus to complete two lessons of sport each week. It is important that students come prepared for these lessons in correct practical uniform, have a water bottle and hat. Students will use the school oval, COLA, hall and Pioneer Park to undertake set activities. Sport for students in Years 8-10 will be conducted in the following periods:

1. Monday Periods 1, 2 (Years 9 - 10)
2. Wednesday Periods 3, 4 (Year 8)
3. Friday Periods 1, 2 (Years 9-10)

****Please note: Year 9-10 students either do sport on Monday or Friday not both.

If for any reason a student is unable to participate in sport they must provide a note from home outlining the reasons behind their inability to participate.

Throughout the year students will experience a wide range of individual and team games to enhance their general fitness and skill levels. In week 5 students will be given the opportunity to take part in multi-sports. This is limited to 25 students. Students who successfully elect multisport will have the opportunity to do activities such as Flip Out, Bubble Soccer, RSL Health and Fitness and Ten Pin. The cost for this is $10 each. Travel will be via the school bus.

Firstly, there is Campus sport. This is where you are entered into competitions as a Delroy team. This is managed by the Campus Sports Organiser and at Delroy that is Mr Craig May. The other competitions we enter into are College Open Sporting competitions. These are the ones that are managed by the College Sports Organiser Rebecca May. Here teams can consist of players from the three campuses; South, Delroy and Senior. These are OPEN competitions, which means the students can be selected from Years 7-12.

Below is a list of the OPEN sporting competitions we have entered into for 2016. They are:

SCHOOL POLICY ON
STUDENTS WHO ARE UNWELL

When a student is unwell at school he/she:

◊ must obtain a note from the teacher and then present at the office, where a parent/carer will be contacted by the office staff to collect the student.

◊ Students are NOT to use their mobile phones to phone parent/carer directly.

For legal reasons and school policy students are NOT to leave the school without signing out at the office.

LEVELS SYSTEM

Do your Best, be Equipped ready for Learning, show Respect
and make the most of the Opportunities offered by Your School

ATTENDANCE: NOTES for PARENTS and CARERS

Attendance every day that the school is open for instruction is a legal requirement and a major responsibility of parents/carers. Please send a note when your student has been away from school.

- Prosecution in the Local Court - If all attempts by schools and regional support staff fail to improve a student’s attendance, action can be taken in the Local Court and the result can be fines up to a maximum of $11,000.

A NOTE TO PARENTS/CARERS and STUDENTS

Tank tops/singlets are not to be worn at school.

These tops are not part of the uniform and do not meet sun-safe requirements.
